Dear All,

We are glad to announce the *World Symposium on CARDIOLOGY* to be held in *June 18-20, 2020, Zurich, Switzerland* organized by Frontiers Meetings Ltd in collaboration with generous support and cooperation from enthusiastic Academicians and Editorial Board Members. This conference is a unique international platform that's a confluence of all stake holders of the ecosystem – Industry, Academia, Researchers, Innovators, Regulators – coming together to present and discuss wide range of current topics and will be available to discuss on the theme *Promising Growth Towards The Pinnacle In Cardiac Research*. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. Attend the Cardiac 2020 to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

With Best Regards,

James Williams | Conference Director
