AGENDA AT A GLANCE

OUR HISTORY

Virtue Insight (VI) started it's wonderful journey in 2009 and now after a decade in the industry, we are honored to organise our 21st event in Pharmacovigilance to be held in 2020 in UK.

Over our past events, we have gained huge trust of our industry partners through our ability of providing best connect within the pharma regulators, stakeholders and the patients. Keeping our promise through all our 20 PV events in 3 different regions (UK, USA and India), our upcoming event holds the same intensity with newer challenges in PV along with new techniques to ease the process.

Our events have grown tremendously over the years within the pharma market, which lead to return of all our major clients every year to showcase their facilities to our senior level participants that help many to enhance their skills of critical drug safety evaluation process. We have been constantly rebuilding our content, format and agenda topics to stand ahead of what market demands.

This year, our event keeps an immersed eye on discussion of critical topics in PV domain, which capture influence of emerging technologies like AI, IoT, Big Data. Not merely that, we have exciting surprise activities which will help you to interact more with your peers. This will be surely an exciting event wherein you could get chance to meet big industry gems. Let's gather to shape the industry with your magnificent ideas.

UK is waiting for you!!!

FOR SPONSORSHIP OPPORTUNITIES:-

Sponsorship or exhibition is the best way to speed network with decision makers. The world leader speakers in our conferences attract niche delegates from all over the world. This would be a wonderful opportunity to reach the right audience and save money and time on all your other advertising gimmicks. To give you an advertising edge we constantly update the industry pioneers via emails/news letter about the event and advertise the event via different forms of media.
