

# About Conference

**Biomarkers Conference 2020** gives an essential gathering to the trading of thoughts and inventive ideas in all regions related to biomarkers. Biomarkers Congress 2020 intends to unite leading scientists, researchers, and research scholars to trade their experiences and research results on all domains of Biomarkers and Cell Biology. It likewise invites clinical trials and statistical studies just as methodologically sound literature reviews. Biomarkers Congress-2020 will give a dynamic and amazing way to deal with the spectrum of diseases with clear applications in the study of biomarkers and clinical research in disease prevention, analysis, and disease transmission. The meeting program depends on a wide scope of difficulties and issues in the field of biomarkers and cell Biology that will be tended to addressed through keynote speakers, plenary speakers, eminent professors, and medical professionals, along with poster sessions.

## 2<sup>nd</sup> International Conference on **Biomarkers and Cell Biology**

June 15-16, 2020 | Dubai, UAE

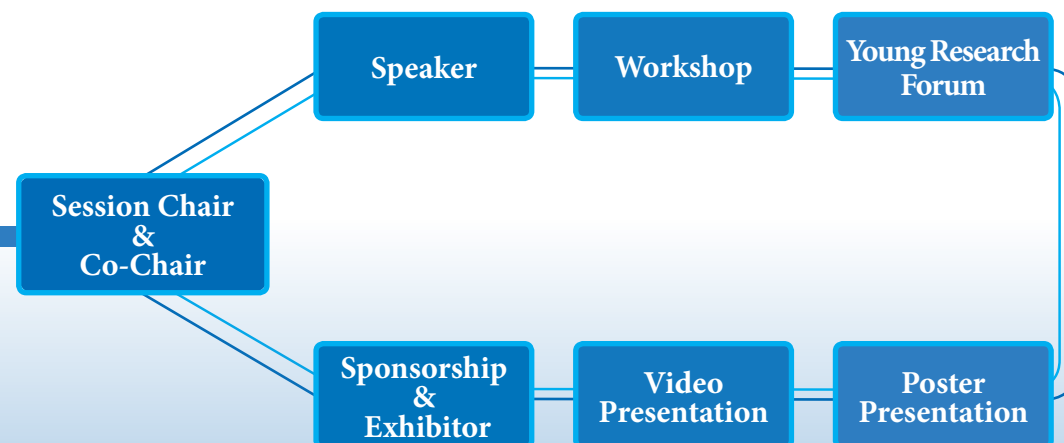

# Event at a Glance

Day 01 June 15, 2020	Day 02 June 16, 2020
Registration	Keynote Forum
Opening Ceremony	Coffee Break
Keynote Forum	Speaker Session
Group Photo	Biomarkers for Patient Selection
Coffee Break	Cell physiology in health and disease
Speaker Session	Cellular Chemotherapy and Cell Replacement Therapy
Clinical Biomarkers	Lunch Break
Clinical and Transitional Biomarkers	Microbial Biochemistry and Molecular Immunology
Immuno-oncology Biomarkers	Biomarkers and Genomic Medicine
Biomarkers and personalized Medicine	Future trends in Drug discovery Technology
Lunch Break	Coffee Break
Cell Biology and Molecular Biology	Workshop
Gene and cell based Therapies: Stem cell and Beyond	Special Session
The emerging role of Microbiome in Diagnostics	Symposium
Coffee Break	Poster Presentation
Young Research Forum	Video Presentation
Workshop	Panel Discussion
Panel Discussion	Award Ceremony
Day Concludes	Closing Ceremony

## Available Opportunities

This two days event is filled with the scientists, professionals from all around the globe. We request interested people to write us regarding the participation for this esteemed event.

## Conference Venue

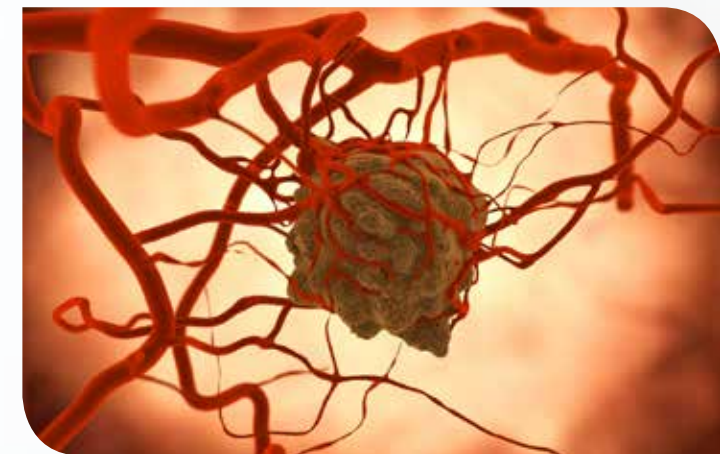

Dubai, UAE

## Who Attends

- Clinical researchers
- Cancer researchers
- Radiologists
- Oncologists
- Cardiologists
- Neurologists
- Geneticists
- Pathologists
- Molecular biologists
- Immunologists
- Pharmacologists
- Young researchers
- Students
- Biomarker associations
- Biomedical industrials
- Medical devices specialists
- Business entrepreneurs
- Diagnostic experts

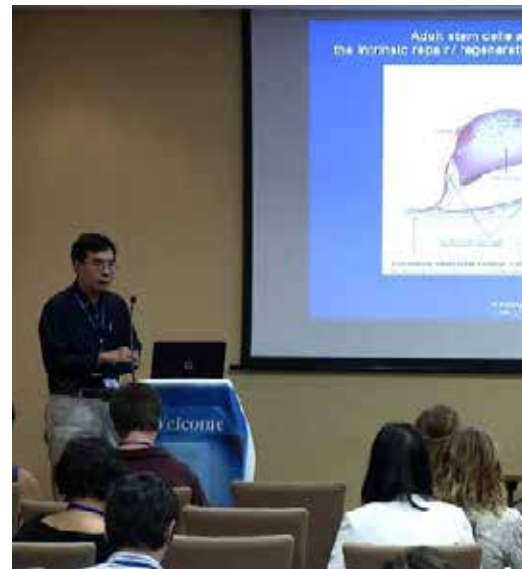

## Conference Sessions

- Clinical Biomarkers
- Clinical and Transitional Biomarkers
- Immuno-oncology Biomarkers
- Biomarkers and personalized Medicine
- Biomarkers and Genomic Medicine
- Cell Biology and Molecular Biology
- Gene and cell based Therapies: Stem cell and Beyond
- The emerging role of Microbiome in Diagnostics
- Future trends in Drug discovery Technology
- Biomarkers for Patient Selection
- Cell physiology in health and disease
- Cellular Chemotherapy and Cell Replacement Therapy
