

24th Edition of International Conference on
World Cardiology

Nov 03-04, 2020
Zurich, Switzerland

Theme:
COVID-19 Challenges for Cardiology

Welcome Message

Welcome to Conference Cardiology 2020 and experience the science of heart illuminated as never.

EuroSciCon is proud to host the 24th Edition of International Conference on World Cardiology which is scheduled in the month of November 03-04, 2020 at Zurich, Switzerland. This year's theme is COVID-19 Challenges for Cardiology. Cardiology 2020 will provide an unprecedented opportunity for cardiologists of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field.

We invite cardiologists and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Cardiology Conference is the perfect venue not only to dive into your cardio logical interests but also to expand the scope of your knowledge. The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant cardio logical forum in person is your active participation.
