BANGKOK ATTRACTIONS 2020 WNPC

Bangkok is the favorite destination for tourism and shopping on account of its global connectivity, great infrastructure, friendly atmosphere and economic cost of living. All these factors contribute to influencing people's decision to come to Bangkok for medical care, treatment, and medical conferences. Bangkok along with the abundance of flight in and out of Bangkok International Airport, the ease of acquiring Visas* on arrival, and a wide range of options for accommodation are also available.

So, this year **Episirus Scientifica** scheduled **2020 World Neuroscience and Psychiatry Conference (2020WNPC)** in the beautiful city which is an example of sustainable development, Bangkok, to bring together the world's best leading experts, researchers, scientists, environmental activists, NGO's, professors, business entrepreneurs and the most respected leaders to exchange and share their meaningful experiences of various methods for sustainable development.
