TRADITIONAL MEDICINE 2022

ABOUT THE EVENT

Magnus Group cordially invites you to its "3rd Edition of International Conference on Traditional Medicine, Ethnomedicine and Natural Therapies" HYBRID EVENT to be held during May 18-19, 2022 at Tokyo, Japan.

Traditional Medicine 2022 is scheduled in Hybrid Format with both onsite and virtual versions. We believe that our decision will enable broad participation.

This year the congress will be focused on the meaningful theme "Leveraging Advancements and Navigating Future of Traditional Medicine" to enhance and explore knowledge.

This unprecedented program will convene Herbal and Traditional Medicine Researchers, Scientists, Ayurveda Specialists, Healthcare Experts, Acupuncturists, Natural Therapists and Traditional Medicine Specialists and Practitioners from different corners of the globe to discuss the recent advancements and breakthroughs in the field of traditional medicine.

Medicine has historically addressed the constraints of wellness and healing, which have evolved experimentally with civilizations. Traditional medicines (TMs) have been used for millennia and include empirical methods such as natural medicine and an emphasis on general wellness. Herbal medications, animal parts, and minerals are all used in traditional medicine. Despite the undeniable advantages of modern medicine, which depends on scientific tests and results to diagnose and treat diseases, a huge portion of the globe continues to rely on traditional, complementary, and alternative medicine. Traditional medicine continues to play an important part in health care, with around 80% of the world's population relying on traditional medicine for their primary health care.

The preeminent congress will feature plenary lectures, keynote sessions, oral and poster presentations from around the world having forefront ideas and high-quality scientific content, professional networking opportunities with like-minded people from other sectors and well-led working groups and panels.

Join us at Traditional Medicine 2022 to improve your insight on the latest research in natural science.

TOP REASONS TO PARTICIPATE

1. Develop Your Network
2. Position Yourself as an Expert
3. Meet Experts & Influencers Face to Face
4. Gain Targeted Knowledge
5. New Tips & Tactics
6. Invest In Yourself
7. Gain New Collaborations
8. Present your Ideas and Work
9. Be Inspired
10. Travel, Explore and Have Fun!!

GLIMPSES OF PAST CONFERENCE

PAST CONFERENCE TESTIMONIALS

- ▶ **Cornelia Butler Flora, Kansas State University, USA**
I found the conference well-organized with a good diversity of papers and posters from around the world. An excellent opportunity to learn!
- ▶ **Elena Rakosy-Tican, Babes-Bolyai University, Romania**
One of the most interesting conferences, having a huge number of presenters.
- ▶ **Monica Ruffini Castiglione, University of Pisa, Italy**
It is a very challenging and well organized meeting, good to have attendees from all over the world.
- ▶ **Samir C. Debnath, St. John's Research and Development Centre, Canada**
The conference is very good and scientists from many countries attended. We all enjoyed the conference very much.
- ▶ **Leif Sundheim Norwegian Institute of Bioeconomy Research, Norway**
Congratulations with the very successful conference Plant Science and Molecular Biology 2017. The lectures and posters at the conference were on «State of thearts» level. Also, I met many interesting colleagues. I presented a Keynote lecture and served as chairman throughout day 2 of the Conference.
- ▶ **Sankaranarayanan Sadasivam, Tamil Nadu Agricultural University, India**
Thank you for having given me the opportunity as a key note speaker in plant biology and biotechnology conference. The conference was very well arranged.
- ▶ **Antonio Domenech-Carbo, University of Valencia, Spain**
The meeting is very interesting. The complete view is towards different aspects of the plant science and it's a fruitful meeting for all the participants.
- ▶ **Abdul Razaque Memon Usak University, Turkey**
It is pleasure for me to attend this conference on Plant Science and Molecular Biology. This is my first time attending this meeting in Valencia. The first day was very good, we have different topics on Plant Physiology, Plant Biochemistry and also Molecular biology. We had a lot of good interaction with several groups and many scientists from different countries. We talk different topics especially on scientific contribution on this plant science and molecular biology and I am sure next meeting will also be well organized and I wish success for this conference.
- ▶ **Sergey.A. Kornatskiy, Peoples' Friendship University of Russia (RUDN University), Russia**
I want to thank for the tremendous work on the organization of the forum and the success of the event. Impressions are the most positive. I hope for further meetings and wish you all good luck.
- ▶ **Ahmad Radhzlan Rosli, FGV R&D Sdn. Bhd., Malaysia**
The event has been a splendid one. Well done to the organizing committee
- ▶ **Jiri Sedlak, Research and Breeding Institute of Pomology Holovousy Ltd, Czech Republic**
It was fruitful meeting and there were many interesting presentations from the field of plant science and biotechnology
- ▶ **Oksana Lastochkina, Bashkir Research Institute of Agriculture, Russia**
Thank you very much for such a wonderful Congress! I was very glad to spend these wonderful days with you. I hope to see you soon.
- ▶ **Mohammad Babadoost, University of Illinois, USA**
It was well attended with very timely presentation. Once again, this was one of the best organized international conferences I have ever had.
