Dear colleagues and health care providers

We are glad to announce the 3rd International Conference on Pharmacology and Toxicology to be held from 25-26 July 2022 at Bangkok, Thailand organized by United Research Forum.

Pharmacology Congress 2022 is the International platform which brings together the collection of investigators who are at the forefront in the field of Pharmacology and Toxicology. The scientific program will include oral presentations of sub-disciplines, keynote sessions led by eminent scientists and poster sessions presented interactively by junior scientists and graduate students. It is the ultimate meeting place for all the experts world wide for new interdisciplinary scientific collaborations and networking.

We provide an interdisciplinary platform to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Geoscience and Environmental Sustainability with more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Chairman, PHARMACOLOGY CONGRESS - 2022

Our Supporting Journal

Journal of Drugs & Pharmaceutical Research is a peer-reviewed, open access journal that publishes original research articles, review articles, clinical studies and short communication in all areas of Pharmacy and Clinical Research. It is one of the leading international Pharma journals within the field of Pharmaceutical Research. Placing an emphasis on publishing novel and high-quality research papers, the Journal aims to influence the practice of Pharma at clinician, academician and researcher on an international level. This journal will also be linked to new scientific research. Conference proceedings are also welcome.

Articles with clinical interest and implications will be given preference. Student research is also encouraged, and special attention will be given to their contribution.

Publishing: After the conference, all accepted conference abstracts/papers will be published with ISBN and DOI in "United Research Forum" conference proceedings. In addition, all participants will be encouraged to submit an extended full manuscript to one dedicated Special Issue in "Journal of Drugs & Pharmaceutical Research", URF Publishers on discounted Article Processing Charge (APC) 199 £ (Note: Subjected to peer review).

ABOUT US

WHO WE ARE?

We provide a platform to enhance the progress of Medical, Science and Technology globally. Our Conferences agenda is to provide an international exposure to Speakers, Delegates and Young Researchers through their research work and to enrich Scientific Community.

WHAT WE DO?

Conferences are about and for the people; we are building a reputation for generating and delivering inspirational conferences and executing them immaculately first time round. We believe on working hard to achieve the success.

MISSION AND VISION

UR Forum thrives to achieve, sustain and foster unmatched excellence in providing a solid platform to budding Research Scholars, Academicians and Professionals across the globe to showcase their talents, skills and knowledge. It portends to provide the participants to get acquainted with the latest developments, insights and trends in knowledge and skills, to explore and expound and reach the pinnacle in their career

TRACKS & SESSIONS

- Pharmacology
- Toxicology
- Immunopharmacology
- Recent Advances in Pharmacology and Toxicology
- Clinical Pharmacology
- Nursing Pharmacology
- Tropical Medicine and Infectious Diseases
- Biochemical Pharmacology
- Ocular Pharmacology
- Cardio Vascular Pharmacology
- Neuro Pharmacology
- Psycho Pharmacology
- Drug Design and Drug Delivery
- Environmental Toxicology
- Molecular and Biochemical Toxicology
- Techniques in Toxicological Pathology
- Forensic Toxicology
- Pharmacotoxicology
- Clinical Therapeutics
- Orthopaedic Pharmacology
- Food and Nutritional Toxicology
- Adverse Drug Reactions
- Drug Safety
- Biopharmaceutical Sciences
- Pharmaceutical Nanotechnology
- Clinical Trials on Various Disorders
- Industrial Pharmacy
- Pharmaceutical Microbiology
- Pesticide Toxicology
- Clinical and Medical Toxicology

EVENT VENUE

**HOST
CITY**

BANGKOK THAILAND

We are glad to announce Bangkok, Thailand will be the host city for Pharmacology Congress 2022.

Bangkok, officially known in Thai as Krung Thep Maha Nakhon and colloquially as Krung Thep, is the capital and most populous city of Thailand.

Bangkok is a large city known for ornate shrines and vibrant street life. The boat-filled Chao Phraya River feeds its network of canals, flowing past the Rattanakosin royal district, home to opulent Grand Palace and its sacred Wat Phra Kaew Temple. Nearby is Wat Pho Temple with an enormous reclining Buddha and, on the opposite shore, Wat Arun Temple with its steep steps and Khmer-style spire.
