INVITATION

We welcome all the enthusiastic researchers from all around the world to join us for the “Neurology and Alzheimer’s Disease” Conference scheduled on September 23-24, 2024 in London, UK. The Conference will move forward with the theme “*Cognitive Convergence: Bridging Neurology and Alzheimer’s Research*”. This Conference is a global platform for professors, deans, academic researchers, industrialists, and health professionals. Neurology 2024 is comprised to offer comprehensive sessions that address current issues in the field of Neuroscience. Neurology 2024 Conference provides a platform for organizations, companies, associations, societies, institutions, statutory bodies, and other authorities and individuals interested in presenting their thoughts on Neurology research.

Neurology 2024 will bring together experts like neuroscientists, clinicians, neurogenetics specialists, neurologists, psychiatrists, medical practitioners, care specialists, and academic professionals.

SINCERELY,

Organizing Committee
Neurology 2024.

ABOUT LONDON

London, the vibrant capital of the United Kingdom, is a global hub of culture, history, and diversity. Boasting iconic landmarks like the Tower of London, Buckingham Palace, and the British Museum, the city offers a unique blend of tradition and modernity. Its rich cultural tapestry, world-class entertainment, and thriving culinary scene make London a captivating destination for both locals and visitors alike.
