Past Event Report

About Past Event:

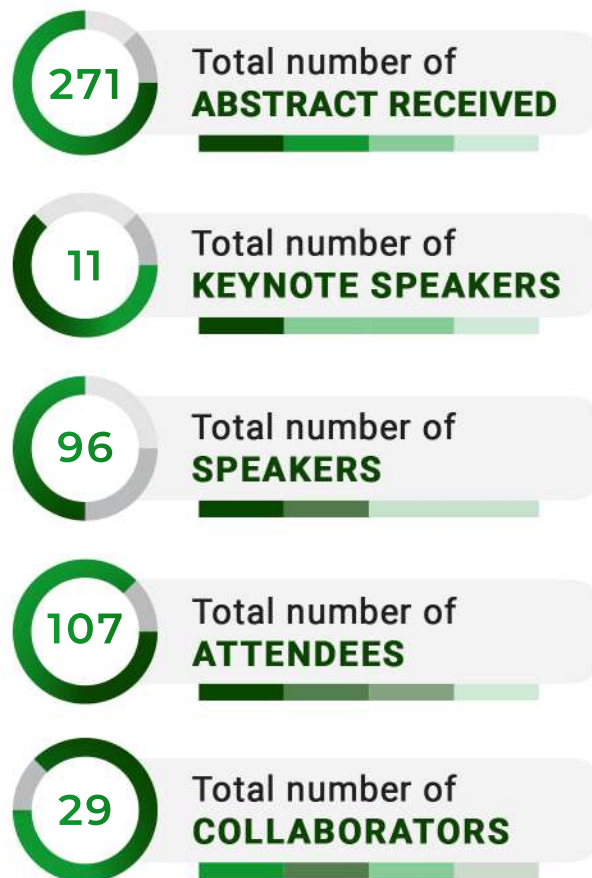

Our remarkable success at the 4th International Conference on Psychology and Mental Health, held in Bangkok, Thailand, on November 14–15, 2024, marked an extraordinary milestone. This conference stood out by uniting leading research scientists and experts to collaborate, share insights, and exchange global knowledge at the perfect time and with the ideal audience.

The Mental Health 2024 conference centered around the theme: “A forum to explore the innovation in Psychology and Mental Health.”

We extend our heartfelt gratitude to the organizing committee, keynote speakers, presenters, students, and media partners whose contributions transformed this event into an outstanding success. Special appreciation goes to the conference Moderator, Kadhim Alabady from Public Health, DHA, UAE, and Nelson Aseri from Moi university, Kenya for ensuring the seamless coordination of the sessions.

Building on the resounding success of Mental Health 2024, we are thrilled to announce our next gathering, the 5th International Conference on Psychology and Mental Health, which will take place on November 05–06, 2025, in Dubai, UAE.

We look forward to another enriching experience and hope to continue fostering impactful discussions and advancements in the field of psychology and mental health. ([click here for more](#))

Testimonials

Feedback

Kadhim Alabady

Public Health Protection Department, Dubai Health Authority, UAE

Thank you for inviting me to such a event. I really enjoyed being here. It was an excellent presentation delivered by speaker from different background from all over the world. The conference focusses on mental health and the discussion goes about targeting the issue and how to prevent them... ([click here for more](#))

Pras Ramluggun

Professor, Oxford Brookes University, United Kingdom

It is such a pleasure to be here and nice being able to be in the scientific committee for such a long time. It is nice to be able to this without monitoring on the usual online thing to share our knowledge with other delegates in these conferences personally... ([click here for more](#))

Shubhangi Singh

Auburn University Montgomery, USA

Thank you so much for the opportunity, I was really great! Gain diverse perspective on different topics of psychology and its application. Thank you!

Natasa Ljubomirovic

Institute of Mental Health, Serbia

Thank you, for me was great pleasure to attend at the Conference. Was nice to meet new people there, to hear useful and different lecture. Especially I like that Conference space was not large, atmosphere of intimacy made me more happy than usual.

Durene I Wheeler

Northeastern Illinois University, USA

It will be my first experience at Scientex Conference. It was a handsome and wonderful experience to collaborate with many people, and I hope to have lifelong friends. Thank you

Pinky Kain

Principal Investigator, Regional Centre for Biotechnology, India

I think it is a wonderful experience because these topics are very relevant to everyone and people hardly speak about this kind of research and topics, we are learning a lot i hope that the research that they have covered in the conference will be useful for everyone and we hope to see more... Aborlo Kennedy Nkporbu

Consultant Neuropsychiatrist, University of Port Harcourt, Nigeria

I am happy to be here among other academics who have come here today to share their ideas. The content so far is very intorting, listening to research works in a very conducive environment and the way organized.

Marguerite Rose Nguekeu

University of Yaounde1, Cameroon

Thank you very much for this change. I am also very proud for the opportunity you gave me to increase my knowledge in the field of research. It would have been a real pleasure for me to participate in the conferences organized by Scientex... ([click here for more](#))

Lucas Manarte

University of Lisbon, Portugal

Everything was according to what was planned. Thank you for the Organization of this conference.

Nikhila Deshpande

Tranquil TMS Clinic, UK

The mental health conference was really good. There were various topics, and some of them were very interesting, and I really enjoyed the conference. The venue was great, the food was absolutely fantastic, and all the team really worked hard. Thank you very much for this opportunity.
