About us

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives.

Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges.

Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide.

We bring in eminent speakers with world-class expertise from various countries to enlighten our researchers and spark enthusiasm for research through our best conferences... [\(click here for more\)](#)

- Renowned speakers and scientists across the globe.
- Poster presentations and world class exhibits.
- Panel discussions and interactive sessions.
- B2B meetings.
- Perfect platform for Global Networking

Conference and Webinar Details

About Conference

With the grand success of Primary Care 2025, we are pleased to announce the **4th International Conference on Primary Care and Public Healthcare**, scheduled to take place on **May 07-08, 2026**, in **Kuala Lumpur, Malaysia**. This year's conference will center around the theme: *"Bridging Research and Practice in Primary Care and Public Health"*

The conference aims to bring together leading experts in primary healthcare, public health, and health services to share the latest research, innovations, and practical applications. It serves as an invaluable platform for clinicians, professors, researchers, nursing professionals, and students to engage in meaningful dialogue and knowledge exchange.

Building on the momentum of previous editions, we are confident that Primary Care 2026 will surpass expectations and continue to inspire advancements in public health worldwide. We warmly welcome your participation in this transformative experience.. [\(click here for more\)](#)

About Webinar

The **4th International Webinar on Primary Care and Public Healthcare** is organized by Scientex Conferences, scheduled for **May 21–22, 2026**, operating on **Kuala Lumpur time (GMT+8)**. The event will be hosted virtually via the Zoom platform, providing a dynamic space to share innovative research and advancements in primary and public healthcare.

This webinar aims to address the comprehensive health needs of individuals across the lifespan, while fostering meaningful collaboration among global experts and professionals. Attendees will benefit from insightful presentations, engage in interactive discussions, and explore the latest developments in primary care, preventive medicine, and health systems. Don't miss this opportunity to connect with leading academics, clinicians, public health experts, and industry professionals, while expanding your knowledge and professional network in this vital field.. About Venue

About Venue:

Kuala Lumpur, the capital city of Malaysia, is a dynamic and multicultural metropolis known for its vibrant blend of tradition and modernity. As the country's economic and cultural heart, the city offers a unique fusion of Malay, Chinese, Indian, and Indigenous influences, reflected in its architecture, cuisine, festivals, and everyday life. The city's skyline is dominated by the iconic Petronas Twin Towers, once the tallest buildings in the world and still a symbol of Malaysia's progress and innovation. Other must-see landmarks include the Kuala Lumpur Tower, Batu Caves, Merdeka Square, and the Islamic Arts Museum. For nature enthusiasts, the KL Forest Eco Park offers a serene escape a lush tropical rainforest nestled right in the heart of the city... [\(click here for more\)](#)

Past Event Report

About Past Event:

Scientex Conference successfully hosted its third series on “3rd International Conference on Primary Care and Public Healthcare” at City Season Suites Hotel, Dubai, UAE from May 08-09, 2025 and “3rd International Webinar on Primary Care and Public Healthcare” from May 22-23, 2025 as per the time zone GMT+4. The conference was organized with a theme focused on “Transforming Public Health: Innovative Approaches in Primary Care and Preventative Medicine” and it was a great success where eminent keynote speakers from various universities addressed the gathering. The generous response and active participation of the Organizing Committee Members played a major role in the success of Primary Care 2025. We extend our heartfelt gratitude to all the esteemed guests, Keynote Speakers, Poster Presenters, and Delegates for dedicating their time and sharing their valuable research within our peer network.

Primary Care 2025 Organizing Committee would like to thank everyone who attend the conference for making the sessions such a worthwhile experience. Also, we would like to thank the moderators of the conference, Dr. Shruthi Rai P (KVG Medical College and Hospital, India) and Dr. Ashtar Kariem (UAE) and the moderator of the Webinar Ashtar Kariem from UAE Noor I.A. Ibraheem from Iraq, who contributed a lot to the smooth functioning of this event.
