# 8<sup>TH</sup> WORLD AGING AND REJUVENATION CONFERENCE

**June 18 - 19, 2026 in Prague, Czech Republic**

**Welcome to the 8th World Aging and Rejuvenation Conference (ARC-2026)!**

The Organizing Committee of the *8<sup>th</sup> World Aging and Rejuvenation Conference (ARC-2026)* invites you to participate in the congress, which will be held during *June 18-19, 2026 in Prague, Czech Republic*.

The first edition of the Aging and Rejuvenation Conference (ARC) was born in Rome, Italy aiming to serve as a premier forum for the presentation of technological advances and research results in the fields of Aging and Geriatrics. The second edition ARC was held in Berlin, Germany in October of 2019 and the third edition of the Aging and Rejuvenation Conference (ARC-2021) was held in Barcelona, Spain on September 2021. The fourth edition ARC was held in Rome, Italy, 5th edition ARC was held in Frankfurt, Germany on July 2023, 6th edition ARC was held on Jul 08-10, 2024 in Paris, France, and 7th edition ARC was held on Jul 09-10, 2025 in Vienna, Austria With the successful experience of the last seven years in Rome, Berlin, Barcelona, Frankfurt, Paris, and in Vienna we truly believe that ARC- 2026 will achieve greater success and provide a better platform for all the participants to have fruitful discussions and to share ideas of researches.

With high standard and high-quality submissions and presentations in ARC Editions, it will one day become a leading conference in this specific academic area. It will feature invited keynote speeches, peer-reviewed paper presentations, and academic visits. This conference provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners or future collaboration.

*Sincerely yours.*

# VENUE DETAILS: Prague, Czech Republic (Hotel Duo)

Prague, the capital of the Czech Republic, is a city where history, culture, and modern innovation intertwine beautifully. Renowned for its stunning Gothic, Baroque, and Romanesque architecture, Prague is often referred to as the "City of a Hundred Spires." Its iconic landmarks, including the majestic Prague Castle, the historic Charles Bridge, and the Astronomical Clock in Old Town Square, attract millions of visitors each year.

Beyond its picturesque skyline and cobblestone streets, Prague is a thriving hub for education, research, and international collaboration. It hosts some of Europe's top universities and research institutions, making it a natural choice for global conferences and academic events. The city's excellent infrastructure, efficient public transport, and diverse accommodation options ensure a smooth experience for international guests.

Prague also offers a vibrant cultural life, with world-class music, art galleries, theaters, and traditional Czech cuisine that reflect its rich heritage. Whether exploring its medieval charm or engaging with its modern, innovative spirit, visitors find Prague both inspiring and welcoming.

As the host city for the 8th World Aging and Rejuvenation Conference (ARC-2026), Prague offers an ideal blend of history, hospitality, and scientific excellence—promising an unforgettable experience for all participants.
