About Conference

Scitechseries introducing with great excitement about “**2nd International Conference on Dementia and Brain Disorders**” (**ICDB 2025**) invites all the participants across the globe to attend from **November 06-07, 2025, London, UK**.

This **Hybrid** Event allows you to participate In person in London, UK, or Virtually from your home or workplace.

This conference focuses on the theme “Minds in Focus: Rethinking Dementia and Brain Disorders”

ICDB 2025 Dementia and various brain disorders, including Alzheimer's, vascular dementia, and front temporal dementia, present complex challenges in health-care, impacting millions globally. The intricate web of genetic, lifestyle, and environmental factors underscores the multifaceted nature of these conditions. Ongoing research strives to unravel the causative mechanisms, leading to innovative treatments. Public awareness is key, to fostering supportive communities and empathy for individuals and families grappling with these disorders. As the global population ages, a holistic approach to brain health is imperative. This involves not only advancing research and therapeutic strategies but also emphasizing advocacy and community engagement to enhance the quality of life for those affected by dementia and related brain disorders.

We are glad to welcome all scientists, medical practitioners, researchers, and delegates to attend ICDB 2025.

OUR TESTIMONIALS

“

Angela Allen, NC State University, USA

The conference was great and attendance was good until the last presentation. I learned some new areas from them. The organization was great.

“

Andrey Pavlychev, St. Petersburg State University, Russia

The European Conference on Renewable Energy and Green Chemistry (ECRG 2024) is truly an outstanding event.

“

Sadeq Damrah, Australian University, Kuwait

What a delight it was to participate in such an organized summit with fun smart speakers. As a speaker, I met so many people I will stay in contact with regarding my topic.

“

Vladimir Sanchez Linares, MINSAP, Cuba

My testimony: I am very grateful to ICDS for this opportunity, it was a fantastic experience, the event program was great, the presentations were excellent, everything was very well organized, the organizing committee was always willing to help, particularly They always helped me a lot during this time, thank you, thank you very much for everything. see you ICDS 2025!!!

“

Andres Felipe Gonzalez Zapata, Cooperative University of Colombia, Colombia

This conference was a very enriching experience. Sharing knowledge with very qualified professionals fulfil all areas of infectious diseases. It deserves to be carry out again. Thanks to all the support staff that made this event possible.

“

Shirin Cantillon, Warwick Medical School, UK

The conference was a great opportunity to meet academics from all over the world and listen to interesting work. Although it was a very small conference, it was a good mix of in person and online presentations. I would recommend it for anyone who enjoys infectious disease.

“

Srinivasa Rao Pundru, Mahatma Gandhi Institute of Technology, India

The quality of talks at ECRG 2024 is good. Almost all scientific topics which are discussed in this event are very much useful in professional development of researchers. The scientific committee did a good job in selecting the speakers as well as in conducting the event of ECRG 2024.

“

Weihong He, Sichuan University, China

The talks are interesting and the conference is well organized, providing an excellence platform to meet new people from different parts of the world in the field of Green Chemistry.

“

Aree Saeed Mustafa, American University of Kurdistan, Iraq

I am presently serving as an Assistant Professor of Department of Accounting of Duhok University. I am very thankful to my management who gave me opportunity to attend this conference as a speaker. Global Entrepreneurship Summit Conference was awesome and it was a great experience for me.
