About Conference:

Welcome to the **3rd European Hematology and Blood Disorders Congress**, scheduled for **September 14-15, 2026**, in the historic city of **London, UK**. This prestigious congress brings together hematologists, oncologists, researchers, clinicians, and healthcare professionals from around the globe to delve into the latest advancements in hematology and blood disorders.

Attendees can expect a comprehensive program featuring keynote presentations, interactive workshops, poster sessions, and panel discussions covering a wide range of topics. These include hematologic malignancies, benign hematologic disorders, transfusion medicine, stem cell transplantation, immunotherapy, and precision medicine in hematology.

The congress serves as a vital platform for knowledge exchange, networking, and collaboration among experts and stakeholders in the field. Participants will have the opportunity to explore innovative therapies, discuss emerging research findings, and address challenges in hematology practice and patient care.

Join us in London to contribute to advancements in hematology and blood disorders, forging connections that drive progress and improve outcomes for patients worldwide.

Key Highlights:

- ▲ Keynote sessions by hematology and blood disorders experts
- ▲ Interactive panel discussions
- ▲ Cutting-edge poster presentations
- ▲ Networking with peers and professionals
- ▲ Access to industry exhibits and demonstrations

Why Attend?

- ▲ Gain insights into the latest research, treatments, and innovations in hematology and blood disorders.
- ▲ Connect with leading hematologists, oncologists, researchers, and healthcare professionals from around the world.
- ▲ Stay updated with evolving guidelines, clinical trials, and best practices in the field of hematology.
- ▲ Learn about cutting-edge technologies & therapies shaping the future of hematology & blood disorder treatments.
- ▲ Gain practical insights and strategies to improve patient outcomes and quality of care in hematology.

Who Should Attend?

- ▲ Hematologists and oncologists
- ▲ Transfusion medicine specialists, thrombosis and clinical trials specialists
- ▲ Hemostasis and coagulation specialists, geneticists and pathologists
- ▲ Academic, scientists, researchers and students
- ▲ Bone marrow transplantation specialists, pharmacologists, industry representatives and other related professionals

Sessions

▲	Bone Marrow & Cord Blood Transplantation
▲	Epidemiology and Public Health in Hematology
▲	Vascular Bleeding Disorders
▲	Hematologic Cancer
▲	Hematology Nursing
▲	Hemoglobin and Iron Metabolism
▲	Immunohematology
▲	Leukemia and Blood Cancer
▲	Myelodysplastic and Myeloproliferative Disorders
▲	Neuro-Hematology
▲	Pediatric Hematology
▲	Transfusion Medicine
▲	Hematology and Blood Disorders
▲	Hematology-Oncology
▲	Hemoglobinopathies
▲	Hemostasis and Thrombosis
▲	Anemia & Clinical Hematology

▲	Biomarkers in Hematologic Diseases
▲	Blood Disorders Types, Diagnosis and Treatment
▲	Emerging Technologies in Hematology
▲	Genetic and Molecular Basis of Blood Disorders
▲	Disseminated intravascular coagulation (DIC)
▲	Acute and Chronic Lymphocytic Leukemia
▲	Advanced Treatment and Research in Hematology
▲	Clinical Hematology
▲	Blood Disorders Types
▲	Blood Disorders Diagnosis and Treatment
▲	Biomarkers in Hematologic Diseases
▲	Advanced Treatment and Research in Hematology
▲	Acute and Chronic Lymphocytic Leukemia

Important Dates

December 15 th 2025	December 16 th 2025	February 27 th 2026	September 14 th 2026
Abstract Submission Deadline	Early Bird Registration	Mid Term Registration	Final/Onsite Registration

About City

London, the capital city of the United Kingdom, is a vibrant global metropolis that seamlessly blends rich history with modern innovation. Located on the River Thames, it has been a center of culture, commerce, and education for over two thousand years. As one of the world's leading cities, London is home to iconic landmarks such as Buckingham Palace, Big Ben, the Tower of London, and The Shard, alongside world-class museums like the British Museum and the National Gallery.

With its strong reputation in medical research, education, and healthcare innovation, London provides a fitting backdrop for the 3rd European Hematology and Blood Disorders Congress. Hosting the congress here offers delegates access to leading experts, research institutions, and hospitals that are at the forefront of scientific discovery. Combining academic excellence with cultural richness, London provides an inspiring environment for collaboration, learning, and networking within the global medical community.
