About Conference

SciTechSeries warmly welcomes you to join us at the **4th International Conference on Neurology & Neurological Disorders (Neurology 2026)**, taking place in **Paris, France** from **October 15–16, 2026**, in a **hybrid** format. This inclusive event offers the flexibility to participate in-person in Paris or virtually from anywhere in the world, ensuring global engagement among neurology professionals and researchers. With the central theme “Integrating Science and Innovation to Transform Neurological Care,” Neurology 2026 serves as a premier international platform bringing together neurologists, neuroscientists, researchers, clinicians, surgeons, healthcare professionals, industry experts, and policymakers to share the latest discoveries and innovations in neurological science.

The conference will spotlight breakthroughs in neurodegenerative diseases, neuroimaging, neurogenetics, neurorehabilitation, brain-computer interfaces, and mental health research, along with emerging approaches in precision neurology and neuropharmacology.

The program will feature renowned keynote speakers, interactive panel discussions, oral and poster presentations, and an exhibition showcasing cutting-edge technologies and therapeutic solutions. Participants will have valuable opportunities for networking, collaboration, and interdisciplinary learning aimed at advancing the field of neurology worldwide.

Join us at Neurology 2026 to explore how scientific innovation, technology, and clinical expertise are transforming the understanding, diagnosis, and treatment of neurological disorders across the globe.

GLIMPSES OF PAST EVENTS

OUR TESTIMONIALS

“ **Connie Rogers**, Institute of Integrative Nutrition, USA

Thank you for inviting me to join your event. I enjoyed being part of your team of professionals! There needs to be more group conferences like yours showing the world how to remain healthy and remove those things that can be harmful. ***** Five star!

“ **Sofica C Bistriceanu**, Academic Medical Unit, Romania

I am grateful for the opportunity to broaden my knowledge by listening to the data shared by famous physicians and nurses with decades of experience and beginners in this field worldwide. Various topics and presentation styles made it memorable, and I am eager to add other new reflective data..

“ **Vladimir Gorchakov**, Novosibirsk State University, Russia

I want to congratulate all conferees for big achievements in food science. The conference showed the relevance. Organizers of a conference deserve separate gratitude. Work of a conference took place according to the schedule. The indication of local time in the program for conferees is positively apprehended. All reports are synchronized on time. Reports were very informative and gave a lot of useful information.

“ **Andrey Pavlychev**, St. Petersburg State University, Russia

The European Conference on Renewable Energy and Green Chemistry (ECRG 2024) is truly an outstanding event.

“ **Angela Allen**, NC State University, USA

The conference was great and attendance was good until the last presentation. I learned some new areas from them. The organization was great.

“ **Weihong He**, Sichuan University, China

The talks are interesting and the conference is well organized, providing an excellence platform to meet new people from different parts of the world in the field of Green Chemistry.

“ **Ernesto Magallon Neri**, University of Barcelona, Spain

Thank you for all the attention received from all members of the congress!

“ **Anita Rakic**, Educational Institute for Public Health Splitsko-Dalmatian counties, Croatia

I really thankful for the opportunity to attend the conference. It was a great success.

“ **Koichi Shimizu**, Waseda University, Japan

It was a nice experience to present my work for the audience in the different fields from my specialty, or biomedical optics. I enjoyed the meeting and appreciate your arrangements..

“ **Sadeq Damrah**, Australian University, Kuwait

What a delight it was to participate in such an organized summit with fun smart speakers. As a speaker, I met so many people I will stay in contact with regarding my topic.

“ **Shirin Cantillon**, Warwick Medical School, UK

The conference was a great opportunity to meet academics from all over the world and listen to interesting work. Although it was a very small conference, it was a good mix of in person and online presentations. I would recommend it for anyone who enjoys infectious disease.

“ **American University of Kurdistan**, Aree Saeed Mustafa, Iraq

I am presently serving as an Assistant Professor of Department of Accounting of Duhok University. I am very thankful to my management who gave me opportunity to attend this conference as a speaker. Global Entrepreneurship Summit Conference was awesome and it was a great experience for me.

“ **Srinivasa Rao Pundru**, Mahatma Gandhi Institute of Technology, India

The quality of talks at ECRG 2024 is good. Almost all scientific topics which are discussed in this event are very much useful in professional development of researchers. The scientific committee did a good job in selecting the speakers as well as in conducting the event of ECRG 2024.
