# Past Event Report

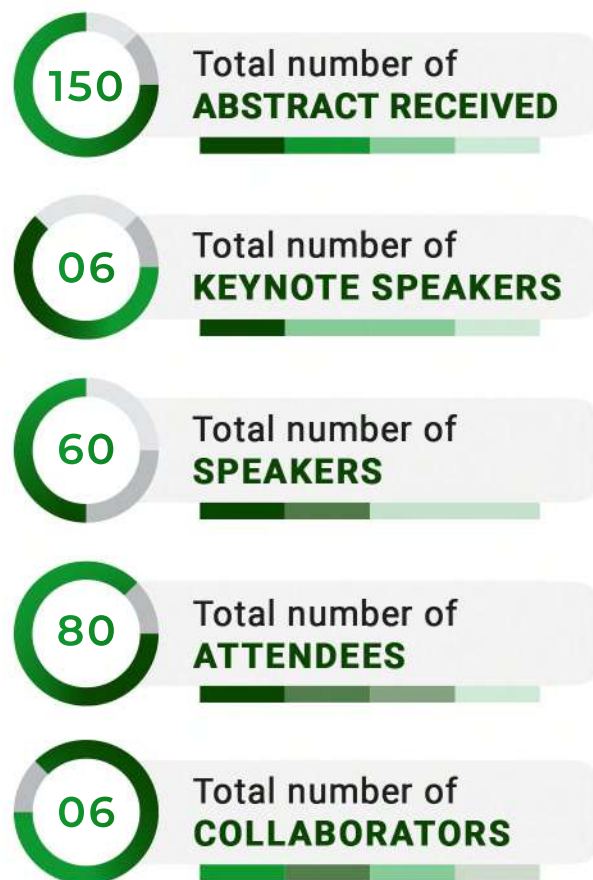

## About Past Event:

Scientex Conference successfully hosted a number of series on the “**3rd International Conference on Cardiology and Cardiovascular Research**” at City Seasons Suites Hotel 8th Street, Deira District, Dubai, United Arab Emirates, during May 04-05, 2025. The conference was organised with a theme focused on “Advanced Remedial Regimen and Mechanisation in Cardiology to Improve Health Span,” and it was a great success. Eminent keynote speakers from various universities addressed the gathering.

The generous response and active participation of the organising committee members played a major role in the success of Cardiology and Cardiovascular Research 2025. On the other hand, we take the opportunity to thank all the speakers, delegates, and participants for providing their valuable support and time for the conference.

The Cardiology 2025 Organising Committee would like to thank the keynote speakers, plenary speakers, delegates, and young researchers for making the sessions such a worthwhile experience. Also, we would like to thank the moderator of the conference, Adriana Simoneta Pimienta-Ibarra, National Institute of Respiratory Diseases, Mexico.
