About us

Scientex Conferences provide a global platform for exchanging ideas and keeps on updating about the latest innovations in different Subjects. Opportunity to attend the presentations delivered by eminent Scientists from all over the world. Global networking: In transferring and exchanging Ideas. A Unique Opportunity for Advertisers and Sponsors at this International event. We present you team of dedicated minds driven by the thought of gathering together the people of alike objected to an exclusive platform. Science brings forward the art of molding the experience and the experiments into a reality. These assembling realities, eventually, give birth to the various fields all together comprise a world get known as science, technology, and advancement. Scientex conference acts a dais where people from various parts of the world come together and discuss topics, ranging from physics to medicine, ever beneficial to an advancement of the human civilization. Alongside, the news and views get exchanged among the personnel across the globe. Scientex conferences strives toward evolving a resource of information, unprecedented problems as well as their solutions such that it enhances the very core of the scientific community thus adding values to human society. Come. Join us! View the substantial minds talk their cut- through researches at the Scientex conferences. Well organized scientific program. [\(click here for more\)](#)

- Renowned speakers and scientists across the globe.
- Poster presentations and world class exhibits.
- Panel discussions and interactive sessions.
- B2B meetings.
- Perfect platform for Global Networking

Conference and Webinar Details

About Conference

With a grand success of past four series of Neuroscience and Psychiatry conference, We welcome you all to attend the **"6th International Conference on Neuroscience and Psychiatry"** scheduled during November 06-07, 2026 in Dubai, UAE. The main theme of the conference is "Modern Revolution for the Future of Neuroscience and Psychiatry". Join this intimate forum to create meaningful partnerships with 80+ Neuroscience experts. Translate key technological & mechanistic neuroscience advances into the clinic.

Neuroscience 2026 Mission: To provide the highest quality neuroscience and psychiatry education to learners and practitioners of all levels.

Neuroscience 2026 Vision: Through our inspiring international faculty, innovative programming, and vibrant interactions among all attendees, Neuroscience 2026 conference aspires to be the best neuroscience and psychiatry educational event in the world.

We strongly believe that Neuroscience 2026 will be a huge success and exceed our expectations extremely. [\(click here for more\)](#)

About Webinar

The **6th International Webinar on Neuroscience and Psychiatry** is Organized by Scientex conferences during November 13-14, 2026 focused on the theme "Modern Revolution for the Future of Neuroscience and Psychiatry". Attendees had the opportunity to receive an e-certificate of attendance. Join this intimate forum to create meaningful partnerships with 80+ Neuroscience experts. Translate key technological & mechanistic neuroscience advances into the clinic.

Our goal is to bring together worldwide distinguished academics in the field of Neuroscience and Psychiatry to exchange and share meaningful experiences of various treatment procedures for mental health, neurological disorders and stroke. [\(click here for more\)](#)

CONFERENCE HIGHLIGHTS

- Lectures by the active Investigators
- Keynote forums by Renowned Speakers
- Speaker Forum
- Poster Sessions on latest Innovation in all the relevant Areas
- Panel discussions and interactive sessions.
- Open Innovation Challenges
- Poster Sessions on every career stage
- Post-Doctoral Career Development Session
- Young Research Forum
- B2B Meetings
- Global Networking with 50+ Countries
- Novel techniques to benefit your research
- Best platform for Global business and Networking opportunities
- Excellent platform to showcase the latest products in Neuroscience and affiliates

TARGET AUDIENCE

- Neurologists, Neurosurgeons,
- Neuroscientists, and Researchers
- Neurology Faculty and Students
- Doctors and Scientists
- Universities, Associations, and Societies
- Students and Research Scholars
- Business Delegates
- Product Manufacturer
- Psychiatrists and Psychologists

Session Highlights

- Neuroscience and Neurology
- Psychiatry
- Neuroimmunology
- Child and Adolescent Psychiatry
- Psychology and Mental Health
- Paediatric Neurology
- Adult Neurogenesis and Cell Biology
- Neuroinfections and Neuroinflammation
- Neuropharmacology and Neuroendocrinology
- Alzheimer Disease, Ageing and Dementia
- Stroke and Trauma
- Neurosurgery
- Brain and Neurological Disorders
- Neuroimaging and pathology
- Neurotherapeutics, Diagnostics and Case studies
- Neurological Complications of COVID_19
- Legal and Ethical Issues in Clinical Research

About Venue

CITY SEASONS DUBAI HOTEL,
2 27th St - Port Saeed - Dubai- UAE

City Seasons Dubai Hotel, nestled in the vibrant district of 2 27th St - Port Saeed in Dubai, offers a fusion of contemporary comfort and Arabian hospitality. Its strategic location places guests in the heart of Dubai's bustling metropolis, with easy access to major attractions, shopping centers, and business hubs. The hotel boasts well-appointed suites designed to cater to the needs of both leisure and business travelers, providing a peaceful retreat amidst the city's dynamic energy. With modern amenities, attentive service, and a commitment to guest satisfaction, City Seasons Suites Hotel promises a memorable stay for those seeking an enriching experience in Dubai.

About Venue:

Dubai boasts a plethora of tourist attractions that cater to diverse interests. Iconic landmarks such as the Burj Khalifa, the world's tallest building, and the Palm Jumeirah, an artificial archipelago shaped like a palm tree, draw millions of visitors each year. The city is also renowned for its luxury shopping destinations like the Dubai Mall and traditional markets such as the Gold Souk. Additionally, Dubai offers a range of cultural experiences, including visits to the Dubai Museum and exploring the historic Al Fahidi neighborhood.

In relation to medical conferences, Dubai's status as a global hub extends to the healthcare sector. The city hosts numerous International conferences, symposiums, and exhibitions related to various medical specialties throughout the year. These events attract leading healthcare professionals, researchers, and industry experts from around the world. ([click here for more](#))

Venue Highlights:

SPEAKER REGISTRATION (1 DAY ENTRY TICKET)	\$499	\$599	\$699
SPEAKER REGISTRATION (2 DAYS ENTRY TICKET)	\$799	\$899	\$999
POSTER REGISTRATION	\$749	\$849	\$949
DELEGATE REGISTRATION	\$899	\$999	\$1099
WEBINAR / VIRTUAL CONFERENCE REGISTRATION	\$399	\$499	\$599
VIDEO PRESENTATION	\$299	\$399	\$499
ACCOMPANYING PERSON	\$200	\$300	\$400

GROUP REGISTRATION

Group enrollments will be viewed on the web or by E-mail to profit from the advantages of the purchase of group tickets by one individual for a total group with discounted registration charges. A minimum of 4 members is going to be considered as a group with a minimum 20% discount on registration charges. ([click here for more](#))

TOP REASONS TO PARTICIPATE

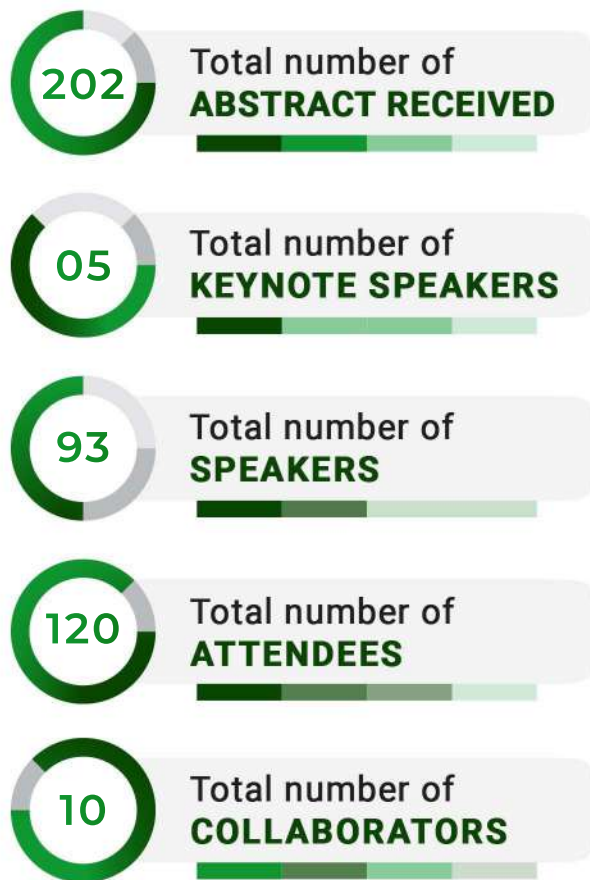

- Develop Your Network
- Position Yourself as an Expert
- Meet Experts & Influencers Face to Face
- Gain Targeted Knowledge
- New Tips & Tactics
- Invest In Yourself
- Gain New Collaborations
- Present your Ideas and Work
- Be Inspired
- Travel, Explore and Have Fun!!

Past Event Report

About Past Event:

Scientex Conference successfully hosted its fourth series on the “5th International Conference on Neuroscience and Psychiatry” at Millennium Hotel Paris Charles De Gaulle during November 14-15, 2024 and “5th International Webinar on Neuroscience and Psychiatry” on December 03-04, 2025 as per the time zone GMT+1. The conference was organized with a theme focused on “Modern Revolution for the Future of Neuroscience and Psychiatry” and it was a great success where eminent keynote speakers from various universities addressed the gathering.

The event featured enlightening keynote sessions, workshop, poster and interactive discussions on the latest advancements and challenges in Neuroscience and Psychiatry. Eminent speakers from various universities and institutions brought valuable insights to the gathering, making it an enriching experience for all attendees. The Organizing Committee Members played a pivotal role in the conference's success through their dedication and meticulous planning. Special appreciation is extended to all speakers, delegates, and participants for their valuable support and active involvement. [\(click here for more\)](#)

15:00-15:30	-	Refreshment Break
15:30-17:00	-	Break Out Session

Testimonials

Feedback

TATSU KOBAYAKAWA

Advanced Industrial Science and Technology,
Japan

Thank you for giving me a chance to attend this conference and giving me a chance to present my study. I could really enjoy this conference even though not on site but remote. On real operation was really smooth... [\(click here for more\)](#)

NOURY BAKRIM

University of the People, USA

This is really an interesting perspective in neuroscience. In my opinion, all the assistance made in the conference is perfect and I can say that the forum is of higher quality. My expectation has been positively met and hope that will continue to have an interesting discussion.

POLYANSKIY DMITRY ALEKSEEVICH

V.P. Serbsky National Medical Research Center for
Psychiatry and Narcology, Russian Federation

The organization of the conference, excellent reports and serious support were very good. First-class organization of the conference! Thank you for the opportunity to participate in the conference!!!

NINA S MISHCHANCHUK

National Academy of Medical Sciences of
Ukraine, Ukraine

Thank you and all Conference Organizing Committee for this great event. We express their sincere gratitude for the opportunity to participate in the conference and publish their poster. Thank you very much for your help and support.

CHEHDA ARROUF LAOUAR

Faculty of Medicine of Strasbourg, Algeria

I am so glad to participate here in Dubai to the 3rd international conference on neuroscience and psychiatry. The event was interesting. Thank you for opportunity. I very much hope to be among the participants for the "4th International conference on Neuroscience and Psychiatry" in Bangkok, Thailand on November.

SIVA ANOOP YELLA

Telangana Institute of Medical Sciences, India

It was really a great experience and it was been an honour and pleasure to be here in the city of Vienna to meet all the renowned speakers from all over the world. Being a Neuropsychiatrist, I personally learned a lot from other presentation... [\(click here for more\)](#)

NATALIA V BELOBORODOVA

Federal Research and Clinical Center of Intensive Care
Medicine and Rehabilitation, Russian Federation

Thank you for organising of this 3rd NEUROSCIENCE conference, first and second days both are very interesting and hopefully. I really enjoyed!

SARKA SPECIANOVA

Charles University, Czech Republic

Thank you for the opportunity to actively participate in this conference. It was an interesting meeting of experts from all over the world. Thank you for contacting me with this offer.

RACHEL SHOHAM

Talpiot College, Israel

I wanted to express my heartfelt thanks for organizing such a wonderful conference. The sessions were engaging, the speakers were inspiring, and the entire event was executed seamlessly. It was truly a privilege to be part of it. Your hard work and attention to detail did not go unnoticed, and I'm sure many others share this... [\(click here for more\)](#)

SETAREH HAJDIVAN BACHARI

University of Tehran, Iran

It was a great honor to be a part of your wonderful conference and share our issues with other specialists. Thanks to you and Scientex. I hope to see you soon.
