2ND INTERNATIONAL CONFERENCE ON

ADVANCED DENTAL AND ORAL HEALTH

📅 OCTOBER 19-20, 2026 📍 ROME, ITALY

Noveltics Group LLC is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontal like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

🌐 <https://noveltics.org/aboutus>

WELCOME MESSAGE

On behalf of the organizing committee, it is my honor and pleasure to extend a warm welcome to all participants of the **2nd International Conference on Advanced Dental and Oral Health** which is in **Rome, Italy** During **October 19-20, 2026**. We are delighted to host this gathering of dental professionals, researchers, and experts from around the globe.

Our conference aims to be a platform for the exchange of cutting-edge knowledge, innovative research findings, and transformative ideas in the field of dental and oral health. The next few days promise to be an engaging journey where we will explore the latest advancements, share experiences, and foster collaborations that contribute to the enhancement of dental care practices worldwide.

The agenda is thoughtfully designed to cover a spectrum of topics, including advancements in dental technologies, oral surgery innovations, preventive and restorative dentistry, and discussions on the latest research shaping the future of oral healthcare. We are confident that the diverse range of sessions will provide valuable insights and inspire all participants.

In addition to the scientific program, we have organized networking opportunities and interactive sessions to facilitate meaningful connections and collaborations among our esteemed participants. This conference is not only a forum for learning but also a platform for building relationships that can contribute to the growth and development of the global dental community.

ABOUT US

Welcome to **NOVELTICS Group LLC**, where innovation meets excellence in scientific event organization. We dedicated to shaping the future of knowledge exchange and professional development, we are thrilled to embark on this journey with you.

At **NOVELTICS Group LLC**, we believe in the power of collaboration, curiosity, and creativity to drive meaningful progress in the scientific community. Our mission is to create transformative event experiences that inspire, educate, and connect professionals from diverse fields of expertise.

With a passionate team of experienced event organizers and industry experts, we are committed to delivering exceptional events that leave a lasting impact. From conferences and symposiums to workshops and seminars, we offer a wide range of programs tailored to the evolving needs and interests of our audience.

How Noveltics Conferences differs from others?

- 
- Innovative content delivery methods that engage and inspire participants.
 - Meticulously curated programs developed in collaboration with industry experts.
 - Emphasis on diversity and inclusivity to foster a dynamic event environment.
 - Robust networking opportunities to facilitate meaningful connections.
 - Flexible registration options and hybrid event formats to accommodate diverse preferences.
 - Commitment to excellence in event planning, logistics, and attendee satisfaction.
 - Cutting-edge topics and emerging trends at the forefront of every conference.
 - Interactive formats that encourage collaboration, creativity, and knowledge exchange.
 - Personalized approach to event organization tailored to meet individual needs and goals.
 - Unparalleled dedication to driving positive impact and innovation in the conference landscape.

Who Will Attend the Dental Conference?

The 2nd International Conference on Advanced Dental and Oral Health 2026 will bring together a global community of dental professionals in Rome, Italy, on October 19–20, 2026. The event will feature dentists, oral surgeons, orthodontists, prosthodontists, periodontists, endodontists, researchers, academicians, dental hygienists, and public health experts, along with students, industry leaders, and policymakers. This international platform will promote collaboration between research, clinical practice, and technology, offering valuable opportunities for networking, learning, and shaping the future of oral health.

Why do you need to attend a Dental conference?

Attending the **2nd International Conference on Advanced Dental and Oral Health 2026** offers numerous benefits for dentists, researchers, clinicians, dental educators, hygienists, industry innovators, and policymakers committed to advancing global oral healthcare. Below are key reasons why your participation is essential:

- Professional Development:** The congress provides a dynamic platform to explore the latest advancements in dental science, oral health research, and clinical innovations. Attendees can enhance their skills and knowledge through keynote lectures, workshops, and interactive sessions led by world-renowned experts.
- Networking Opportunities:** Connect with a global community of dental professionals, researchers, and industry leaders. Build valuable relationships that can lead to collaborations, research partnerships, and future projects within the international dental arena.
- Stay Updated:** With rapid advancements in digital dentistry, implantology, restorative techniques, and preventive care, staying current is vital. The conference offers exclusive access to emerging technologies, evidence-based practices, and global health trends shaping the future of dentistry.
- Exchange of Ideas:** Engage in an open forum where professionals from diverse backgrounds share innovations, experiences, and perspectives. This exchange of ideas inspires creative approaches and practical solutions to contemporary challenges in oral healthcare.
- Innovation and Research Exposure:** Presenting your research findings, case studies, or new technologies at the congress enhances your professional visibility and establishes you as a thought leader in dental and oral health advancement.
- Global Impact:** By participating, you contribute to the broader goal of improving oral health awareness, accessibility, and sustainability worldwide. The event encourages collaboration toward a healthier global community.

ROME

Known as the Eternal City, Rome stands as one of the world's most captivating destinations, where history, culture, and modern sophistication intertwine seamlessly. As the capital of Italy, Rome boasts a legacy that spans over 2,500 years, offering an extraordinary blend of ancient wonders, artistic treasures, and contemporary charm. Home to iconic landmarks such as the Colosseum, Roman Forum, Pantheon, and Trevi Fountain, the city is a living museum that reflects the grandeur of the Roman Empire and the brilliance of the Renaissance. Just steps away from these historic marvels lies Vatican City, the spiritual heart of Catholicism, housing masterpieces like St. Peter's Basilica and Michelangelo's frescoes in the Sistine Chapel. Beyond its monumental heritage, Rome is celebrated for its vibrant lifestyle, world-class cuisine, and distinct Italian hospitality. The city's charming piazzas, elegant boulevards, and alfresco cafés invite visitors to experience "la dolce vita" — the sweet life — through authentic Italian flavors and warm social connections. Rome is also a dynamic hub for education, science, and international collaboration, making it an inspiring setting for global conferences and professional gatherings. With excellent connectivity, a wide range of accommodations, and rich cultural experiences, the city offers delegates an unforgettable environment that combines intellectual exchange with cultural exploration.
