Conference and Webinar Details

About Conference

We welcome you all to the **International Conference on Dermatology and Skin Care**, taking place on **November 16-17, 2026**, in **Bangkok, Thailand**. This international forum is dedicated to advancing knowledge and excellence in dermatology and skin health under the theme: "**Advancing Dermatology and Skin Care: From Research to Treatment Excellence**," bringing together experts to explore innovative research, clinical advancements, and practical approaches that translate scientific discovery into improved patient care.

The event is designed for dermatologists, clinical researchers, cosmetic and aesthetic physicians, healthcare professionals, academicians, scientists, residents, pharmaceutical experts, and industry leaders who are actively involved in dermatology and skin care.

We warmly invite you to join us for two days of insightful discussions, expert presentations, and engaging experiences that will contribute to advancing dermatological science and patient care worldwide.

About Webinar

The **International Webinar on Dermatology and Skin Care**, organized by Scientex Conferences, and scheduled for **November 23-24, 2026**. This international virtual event is held under the theme "**Advancing Dermatology and Skin Care: From Research to Treatment Excellence**," providing a global platform to highlight recent progress in dermatological research, clinical practice, and innovative treatment strategies.

The webinar brings together dermatologists, clinicians, researchers, academicians, cosmetologists, healthcare professionals, industry experts, research scholars, and students, as well as professionals from the pharmaceutical, cosmetic, and biotechnology sectors.

Join this virtual forum to engage with international experts, expand your network, and be part of meaningful discussions in dermatology and skin care.
