ABOUT US

On behalf of the Organizing Committee, we are delighted to invite you to join us at the **4th International Conference on Traditional & Alternative Medicine (ICTAM 2026)**, leading a researchers, traditional practitioners, healthcare professionals, academicians, industry leaders, and policymakers to share knowledge taking place on **July 20–21, 2026, in Tokyo, Japan.**

This conference aims to serve as a global platform where leading researchers, traditional healers, healthcare professionals, academicians, industry experts, and policymakers come together to explore the **“Intersections of Heritage and Innovation in Healthcare”**. This event will provide a unique opportunity to engage in thought-provoking keynote lectures, interactive workshop and

research presentations covering a wide range of disciplines including **Ayurveda, Traditional Chinese Medicine, Kampo, Unani, naturopathy, herbal remedies**, and other complementary practices.

The **ICTAM 2026** is more than an academic gathering it's a **Global Platform** to reimagine the future of healthcare by uniting ancient healing traditions with modern scientific innovation.

Tokyo a city that harmonizes **Cultural Heritage** with modern advancement—this international gathering promises to be both academically enriching and culturally inspiring. The conference seeks to highlight the vital role of integrative approaches in addressing current and future health challenges

Join us in Tokyo, Japan for a scientific and cultural experience where innovation meets tradition.

We look forward to see you at **Tokyo, Japan**

With Best Regards,
Organizing Committee

TESTIMONIALS FROM PAST SPEAKERS

“

"This is my first participation online, and it was a great, inspired experience and motivated. The organizers did an excellent job and the speakers were very open to share their knowledge and expertise, the topics reflecting the challenges that healthcare professionals faced in these difficult times.

Thank you for this great conference".

Dr. Hiriscau Elisabeta Ioana
University of Medicine and Pharmacy "Iuliu Hatieganu" Cluj-Napoca, Romania

“

"It was wonderful and the team was more helpful appreciate your efforts many thanks for all. Thank you so much for allowing me to be a part of such a wonderful event! Being able to share current information across the globe was an incredibly valuable experience. I look forward to participating and attending more of your conferences in the future!"

Prof/Dr Zeinab M. Aysha
University of Buraim, Oman

“

"It was my pleasure also to be part of this conference, and I appreciated all the offers I had through these days, and I am happy I could be assisting as moderator in addition to my presentation."

Ms. Edi Kachal
University of Szeged, Hungary

“

"Thank u for the opportunity for me to present my paper at your conference and meet such wonderful people from around da world"

Dr. Laxmi Devi,
Social Services Department
Govt. Of Sharjah, UAE

“

"This conference brought together important researchers with topical and very interesting presentations. Firstly, presentations addressed a series of topics of global interest regarding studies about different food products (e.g. cow's milk, wheat bread, etc.), enzymes, fertilizers and current global issues (e.g. food alternatives, food security, etc.). Secondly, the conference organization was at a high level. The support from conference organizers was permanently"

Dr. Dimitrie Stoica
Dunarea De Jos University of Galati, Romania

“

"Thank you for your kind message. It was truly a pleasure to participate in World Congress on Nanotechnology & Nanoscience. The conference was excellently organized and ran smoothly throughout the day. The selection of speakers and the insightful topics made it a very enriching experience."

Prof. Paulo De Morais
University of Brasilia, Brazil

“

"It is my pleasure to write testimonial for the event organised by inovine conferences, the event was well planned and executed. The selection of speakers was meticulously planned and executed. All most all the speakers were delivered wonderful briefings about their area of expertise. I have enjoyed the event. Thank you for opportunity and support. Thanking you inovine once again."

Dr. Muraleedhar S. Aski
Senior scientist , ICAR-IARI New Delhi. INDIA

“

"It was nice taking part and making my presentation. Hope to be among you soon. When will be the next event?"

Dr. Abdelaziz Ghanemi
Laval University, Canada

“

"Thank you very much for giving the opportunity of participating in this remarkable conference and congratulations to the conference organizers for the success of the meeting and to all experts that shared their research experience in this conference."

Dr .José Luís Miranda Dias
National Laboratory of Civil Engineering, Portugal

“

"Thank you very much for inviting me to participate in such a prestigious event. I truly appreciate the warm hospitality and kind attention you extended to me.

It has been an enriching experience to share our work and contribute to the scientific advancement of nanotechnology on a global scale."

Ms. Anyoli Taly
Grupo Leti, Venezuela

“

"I loved the conference, it was very well organized."

Mrs. Franciely Rufino de Almeida Lima
University of São Paulo, Brazil

“

"I would like to thank you for the opportunity to present my work at this event so im-portant for a rehabilitation area"

Dr. Jose Carlos Bomfim Lima
Nove de Julho University, Brazil

ABOUT TOKYO, JAPAN

Tokyo, the pulsating capital of Japan, is a city where centuries-old traditions gracefully intertwine with cutting-edge innovation. Visitors are enchanted by its contrasts: tranquil temples, serene shrines, and meticulously designed gardens coexist seamlessly with soaring skyscrapers, high-tech districts, and neon-lit streets that never sleep. Whether walking through the historic alleys of Asakusa or exploring the futuristic landscape of Shibuya and Shinjuku, Tokyo offers an unforgettable journey through time, culture, and modernity.

Recognized worldwide for its impeccable hospitality and seamless infrastructure, Tokyo has long been a premier host for global events. Welcoming millions of international visitors each year, the city boasts not only efficient transport and world-class facilities but also a cultural richness that captivates delegates long after their meetings conclude. From world-renowned museums and performing arts to its celebrated culinary scene spanning authentic street food stalls to Michelin-starred fine dining, Tokyo offers experiences that delight every sense and interest.

With its balance of heritage and progress, Tokyo is more than just a destination; it is a stage for global collaboration. As a cultural and economic powerhouse, it provides the perfect backdrop for international gatherings that unite tradition with innovation. Here, participants don't just attend a conference; they immerse themselves in a city that reflects the very essence of harmony, discovery, and global connection.
