Welcome Message

Dear Colleagues, Researchers, and Distinguished Guests,

On behalf of the Organizing Committee, we are delighted to welcome you to the **World Conference on Neurology and Brain Disorders (WCNBD-2026)**, taking place from **November 19–21, 2026, in Tokyo, Japan.**

This international conference brings together neurologists, neuroscientists, clinicians, researchers, and healthcare professionals from around the world to share the latest advancements, research findings, and innovative approaches in neurology and brain science. The conference aims to promote global collaboration and meaningful discussions to advance brain research and improve patient care.

Over three days, participants will engage in keynote lectures, scientific sessions, and networking opportunities designed to encourage knowledge exchange and professional collaboration. The conference will also provide an excellent platform for young researchers and industry professionals to present their work and build valuable connections. Together, we aim to inspire new ideas and strengthen global partnerships in neurological research and clinical practice. We look forward to welcoming you to Tokyo for an inspiring and productive conference experience.

About Tokyo, Japan:

Discover Tokyo – Where Innovation Meets Tradition

Tokyo, Japan, one of the world's most dynamic and technologically advanced cities, provides an inspiring destination for global scientific exchange and collaboration during the **World Conference on Neurology and Brain Disorders (WCNBD-2026)**. Known for its remarkable innovation, research excellence, and vibrant cultural heritage, Tokyo beautifully blends traditional charm with modern advancement.

Home to leading universities, renowned research institutions, and advanced healthcare centers, the city offers an excellent platform for neurologists, neuroscientists, and healthcare professionals to share knowledge, present groundbreaking research, and build international collaborations in neurology and brain science.

Tokyo is also celebrated for its iconic landmarks and cultural attractions, including Tokyo Tower, Senso-ji Temple, Meiji Shrine, Tokyo Skytree, and the Tokyo Imperial Palace. Visitors can enjoy a perfect blend of historic traditions and futuristic cityscapes, along with world-class cuisine and renowned Japanese hospitality.

With excellent international connectivity through Narita International Airport and Haneda Airport, along with one of the world's most efficient public transportation systems, Tokyo ensures convenient and seamless travel for global delegates. Surrounded by cultural richness, technological innovation, and exceptional hospitality, Tokyo promises a memorable experience for speakers, researchers, and participants attending **WCNBD-2026**.
