Welcome Message

Dear Colleagues,

On behalf of the organizing committee, we are delighted to welcome you to the **World Conference on Forensic Science and Research (WCFSR-2026)**, which will take place **November 16–18, 2026, in Tokyo, Japan**. This global conference aims to bring together leading forensic scientists, researchers, legal professionals, investigators, and industry experts from around the world to discuss the latest advancements and emerging trends in forensic science and criminal investigation.

WCFSR-2026 is designed to foster collaboration, innovation, and knowledge exchange across a wide range of forensic disciplines. The conference will feature an engaging scientific program including plenary sessions, keynote lectures, technical presentations, panel discussions, workshops, and poster sessions. These sessions will provide a dynamic platform for participants to present their research, exchange ideas, and explore new technologies shaping the future of forensic science.

Participants can expect a stimulating and enriching experience while networking with international experts and exploring groundbreaking developments in areas such as forensic DNA analysis, digital forensics, forensic pathology, crime scene investigation, forensic toxicology, and emerging investigative technologies.

We are confident that **WCFSR-2026** will serve as a valuable forum for advancing forensic science research and strengthening global collaboration within the forensic community.

We look forward to welcoming you to Tokyo, Japan, for an inspiring and productive conference

About Tokyo, Japan:

Discover Tokyo: Where Tradition Meets Innovation

Tokyo, the dynamic capital of Japan, offers a remarkable blend of rich cultural heritage and cutting-edge technology, making it an inspiring destination for the World Conference on Forensic Science and Research (**WCFSR-2026**). As one of the world's most advanced and vibrant cities, Tokyo provides an exceptional environment for global researchers, scientists, and professionals to connect, collaborate, and exchange ideas.

From historic temples and traditional gardens to futuristic skyscrapers and advanced research centers, Tokyo seamlessly combines centuries-old traditions with modern innovation. Visitors can explore iconic attractions such as the serene Sensoji Temple, the bustling crossing of Shibuya Crossing, and the famous observation tower Tokyo Tower. The city is also renowned for its world-class cuisine, efficient transportation systems, and vibrant cultural experiences.

As a global center for science, technology, and research, Tokyo offers an ideal setting for meaningful discussions and innovations in forensic science. Attendees of **WCFSR-2026** will have the opportunity not only to engage with leading experts and groundbreaking research but also to experience the unique culture, hospitality, and technological excellence that define this remarkable city.

Join us in Tokyo for **WCFSR-2026** and experience a city where tradition, innovation, and global collaboration come together.
