About us

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives.

Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges.

Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide.

We bring in eminent speakers with world-class expertise from various countries to enlighten our researchers and spark enthusiasm for research through our best conferences... [\(click here for more\)](#)

- Renowned speakers and scientists across the globe.
- Poster presentations and world class exhibits.
- Panel discussions and interactive sessions.
- B2B meetings.
- Perfect platform for Global Networking

Conference and Webinar Details

About Conference

With the immense success of Cancer 2026, we are thrilled to welcome you all to the “**6th International Conference on Cancer Science and Therapy**” scheduled from May 03-04, 2026 in Bangkok, Thailand which is driven by the theme “A Revolutionary Leap: Transforming Cancer Research and Prevention”. Join this international forum to create partnership with 50+ cancer experts to advance the treatment of cancer and enhance the quality of cancer care globally. Our mission is to deliver the highest quality information studies on cancer research, treatment, and therapy to learners and practitioners of all levels.

This conference aspires to be the leading global educational event in cancer research and therapy, fostering collaboration, innovation and engaging interactions among attendees.

We truly believe that Cancer 2027 will be a huge success and exceed our expectations extremely. [\(click here for more\)](#)

About Webinar

The **6th International Webinar on Cancer Science and Therapy** is Organized by Scientex conferences during May 17-18, 2027 focused on the theme “A Revolutionary Leap: Transforming Cancer Research and Prevention”. Attendees had the opportunity to receive an e-certificate of attendance. Come and join this intimate platform to create networking with 50+ cancer experts.

Our primary goal is to showcase the latest discoveries in cancer research and therapies to share their knowledge and experiences with the global cancer community and contribute to advancing cancer control, and recommend innovative treatment plans. [\(click here for more\)](#)

CONFERENCE HIGHLIGHTS

- Lectures by the active Investigators
- Keynote forums by Renowned Speakers
- Speaker Forum
- Poster Sessions on latest Innovation in all the relevant Areas
- Panel discussions and interactive sessions.
- Open Innovation Challenges
- Poster Sessions on every career stage
- Post-Doctoral Career Development Session
- Young Research Forum
- B2B Meetings
- Global Networking with 50+ Countries
- Novel techniques to benefit your research
- Best platform for Global business and Networking opportunities
- Excellent platform to showcase the latest products in Cancer field and affiliates

TARGET AUDIENCE

- Oncologists, Radiologists
- Cancer experts, Pathologists and Biologists
- Biologists, Hematologists and Hospice Nurses
- Cancer Physicians and Surgeons
- Doctors, Professors and Lecturers
- Scientists and Researchers
- Cancer Faculty and Students
- Cancer and Palliative Care Specialists
- Clinicians and Oncology Nurses
- Universities, Associations and Societies
- Representatives from Pharmaceutical Companies
- Business Entrepreneur and Delegates
- Product Manufacturer Companies

Session Highlights

- Cancer Research Therapy and Autoimmune Diseases
- Cancer Biology and Biomarkers
- Types and Causes of Cancer
- Hematology in Cancer
- Organ Specific Cancer
- Cancer: Awareness, Lifestyle and Nutrition
- Oncology Subspecialties
- Advancements in Cancer Imaging Technologies
- Cancer Genomics and Epidemiology
- Cancer and Immunology
- Tumor Pathology and Cancer Cytopathology
- Cancer Pathophysiology
- Neuro and Radiation Oncology

- Prevention and Palliative Care in Cancer
- Rehabilitation of Cancer Survivors
- Cancer Screening and Diagnosis
- Clinical Trials of Cancer
- Cancer Treatment and Traditional Therapies
- Complementary and Alternative Cancer therapy
- Artificial Intelligence in Cancer Research
- Future Technology in Oncology
- COVID-19 and Its Impact on Cancer

About Venue

GRAND MERCURE
HOTELS AND RESORTS

GRAND MERCURE BANGKOK ATRIUM

Address : 1880 New, Bangkok, Khet Huai Khwang,
Bangkok 10310, Thailand

The elegant Grand Mercure Bangkok Atrium, offering a comfortable stay and modern setting for both scientific sessions and networking activities where the conference will be held. With well-equipped conference halls, premium hospitality, and convenient access to key areas of Bangkok, the venue provides an ideal environment for learning, collaboration, and a pleasant stay experience. Participants can enjoy quality accommodation, contemporary amenities, and a professional conference atmosphere throughout the event.

Bangkok, Thailand's capital and city that never sleeps, is a trendy mash-up of diverse cultures and religions. Temples and monasteries coexist peacefully here close to towering skyscrapers. Street bazaars and floating markets compete with luxury shopping malls and purchase centers. Thailand is the 12th largest country in Asia, with a total size of over 198,000 square miles and a population of 67.9 million.

The majority of Bangkok's significant tourist destinations, like as temples, are historical or religious structures. There is Stunning architecture, and also important in history, such as Wat Arun Ratchawaram, Old big gun museum, Phra Bor Banphot (Golden Mountain), Railaey Beach, Siam Amazing Park etc. are fabulous. Other interesting locations to visit in Bangkok include palaces, museums, parks, and numerous shopping malls.

Our centrally located venue offers comfortable and elegant accommodations - all under one roof. With easy access to the meeting rooms, excellent service, and modern amenities, guests can enjoy a seamless and productive stay.

In Thailand, cancer is the top cause of death, and mortality is rising. Therefore, it would be essential to share any future study in the cancer field in order to recommend advancements. We invite you to join us in Bangkok for the Cancer Conference and be part of an inspiring global platform...

- Invest In Yourself
- Gain New Collaborations
- Present your Ideas and Work
- Be Inspired
- Travel, Explore and Have Fun!!

Past Event Report

About Past Event:

Scientex Conference successfully hosted its previous series on the “5th International Conference on Cancer Science and Therapy” at AC Hotel by Marriott Kuala Lumpur, Malaysia during May 04, 2026 and “5th International Webinar on Cancer Science and Therapy” from May 18-19, 2026 as per the time zone GMT+8. The conference was organized with a theme focused on “A Revolutionary Leap: Transforming cancer Research and Therapy” and it was a tremendous success where eminent speakers from various universities addressed the gathering. The generous response and active participation of the Organizing Committee Members played a major role in the success of Cancer Conference 2025. On another hand, we take the opportunity to thank all the speakers, delegates and participants for providing their valuable support and time for the conference.

Cancer 2026 Organizing Committee would like to thank the keynote speakers, Oral and poster speakers and delegates for making the sessions such a worthwhile experience. Also, we would like to thank the Moderator and organizing committee members who contributed a lot for the smooth functioning of this event. [\(click here for more\)](#)
