# About us

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives.

Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges.

Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide.

We bring in eminent speakers with world-class expertise from various countries to enlighten our researchers and spark enthusiasm for research through our best conferences... [\(click here for more\)](#)

- Renowned speakers and scientists across the globe.
- Poster presentations and world class exhibits.
- Panel discussions and interactive sessions.
- B2B meetings.
- Perfect platform for Global Networking

# Conference and Webinar Details

## About Conference

With the grand success of Cardiology and Cardiovascular Research 2026, we are glad to announce our next upcoming conference, **“5<sup>th</sup> International Conference on Cardiology and Cardiovascular Research,”** which is going to be held in Bangkok, Thailand during May 03-04, 2027. With the theme “Advanced Remedial Regimen & Mechanization in Cardiology to improve Health span”.

We are pleased to welcome attendees from around the world to hear the latest cutting-edge research in cardiovascular disease. Cardiology conference 2027 provides a platform to exchange ideas, knowledge, share evidence and create solutions through leading researchers and academics from leading organizations around the world, as well as business professionals, students and business representatives working in the field.

### CONFERENCE HIGHLIGHTS

- Lectures by the active Investigators
- Keynote forums by Renowned Speakers
- Speaker Forum
- Poster Sessions on latest Innovation in all the relevant Areas
- Panel discussions and interactive sessions.
- Open Innovation Challenges
- Poster Sessions on every career stage
- Post-Doctoral Career Development Session
- Young Research Forum
- B2B Meetings
- Global Networking with 50+ Countries
- Novel techniques to benefit your research
- Best platform for Global business and Networking opportunities
- Excellent platform to showcase the latest products in Cardiology and affiliates

### TARGET AUDIENCE

- Cardiologists and Physicians
- Healthcare Professionals
- Cardiology Associations and Cardiac Societies
- Medical Educators and International Delegates
- Industry Exhibitors
- Pharmaceutical Professionals
- Interventional Cardiologists
- Cardiac Surgeons
- Medical Students

# Session Highlights

- **Cardiovascular Diseases**
- **Interventional Cardiology**
- **Vascular Biology**
- **Cardio-Oncology**
- **Nuclear Cardiology**
- **Cardiovascular Pharmacology**
- **Cardiac Transplantation**
- **Paediatric Cardiology**
- **Diabetic Cardiomyopathy**
- **Clinical Cardiology**
- **Hypertension & ECG**
- **Impact of PCOS in Cardiology**
- **AI in Cardiology**
- **Sports in Cardiology**
- **Cardiovascular Toxicology**
- **Clinical Case Reports on Cardiology**
- **Complications of Heart Illness & Failure**
- **Heart Disease in Women**
- **Cardiovascular Surgery**
- **Cardiac Devices and Diagnosis**
- **Advances in Cardiovascular Imaging and Current Research in Cardiology**

# About Venue

**GRAND MERCURE**  
HOTELS AND RESORTS

## GRAND MERCURE BANGKOK ATRIUM

Address : 1880 New, Bangkok, Khet Huai Khwang,  
Bangkok 10310, Thailand

The conference will be hosted at the elegant Grand Mercure Bangkok Atrium, offering a comfortable and modern setting for both scientific sessions and networking activities. With well-equipped conference halls, premium hospitality, and convenient access to key areas of Bangkok, the venue provides an ideal environment for learning, collaboration, and a pleasant stay experience. Participants can enjoy quality accommodation, contemporary amenities, and a professional conference atmosphere throughout the event.

Bangkok can be described as vibrant, colorful, loud, smokey, busy, exhilarating, turbo-charged, and on the other hand, frequently peaceful. Bangkok, also known as Krungthep in Thai, is the initial port of call for the majority of travellers visiting Thailand.

Tourist attractions: The growing number of visitors to Bangkok each year shows that the city is always an attractive vacation spot. The majority of Bangkok's significant tourist destinations, like as temples, are historical or religious structures. There is Stunning architecture, and also important in history, such as Wat Arun Ratchawaram, Old big gun museum, Phra Bor Banphot (Golden Mountain), Railaey Beach, Siam Amazing Park etc. are fabulous. Other interesting locations to visit in Bangkok include palaces, museums, parks, and numerous shopping malls. In various districts of Bangkok, there are peaceful spots like Chatuchak Weekend Market, Sampeng Market, Yaowarat and Phahurat night markets and luxury level sites like numerous famous department stores... ## TOP REASONS TO PARTICIPATE

- Develop Your Network
- Position Yourself as an Expert
- Meet Experts & Influencers Face to Face
- Gain Targeted Knowledge
- New Tips & Tactics
- Invest In Yourself
- Gain New Collaborations
- Present your Ideas and Work
- Be Inspired
- Travel, Explore and Have Fun!!

# Past Event Report

## About Past Event:

Scientex Conference successfully hosted a number of series on the “4th International Conference on Cardiology and Cardiovascular Research” at AC Hotel by Marriott Kuala Lumpur, Malaysia during May 04-05, 2026. The conference was organised with a theme focused on “Advanced Remedial Regimen and Mechanisation in Cardiology to Improve Health Span,” and it was a great success. Eminent keynote speakers from various universities addressed the gathering.

The generous response and active participation of the organising committee members played a major role in the success of Cardiology and Cardiovascular Research 2026. On the other hand, we take the opportunity to thank all the speakers, delegates, and participants for providing their valuable support and time for the conference.

The Cardiology 2025 Organising Committee would like to thank the keynote speakers, plenary speakers, delegates, and young researchers for making the session such a worthwhile experience. Also, we would like to thank the moderator of the conference, Andrea Radyaputri, Universitas Gadjah Mada, Indonesia. [\(click here for more\)](#)

# Testimonials

Feedback

## Adriana-Simoneta Pimienta-Ibarra

Mexico

I'm truly grateful to Scientex Conferences for the invitation. As a thoracic surgeon, this experience has been incredibly enriching. I had the chance to learn directly from some of the most up-to-date global research. It's a fantastic way to stay...

## Deepak Verma

India

Myself Deepak Verma, I am from India. I have joined this conference and this is amazing conference and also my presentation on heart failure and the audience are well questioned with me and I answered properly and the whole scenario is awesome. Thank you, Scientex Conference

## Ganga Velayudhan

India

Good evening! I'm Dr. Ganga from Kerala, India. This was my first time attending an international conference in Dubai, and I'm extremely thankful for this wonderful opportunity. The platform allowed me to present my talk and receive such warm appreciation..(click here for more)

## Jyoti Borse

India

I am an anaesthesiologist working in emergency medicine, where I encounter cardiac patients daily. Scientex conferences has been an incredibly enriching platform, the topics are highly relevant and directly applicable to my clinical practice. (click here for more)

## S Priyanka

India

Hi this is Dr. Priyanka, a senior resident from India. I was honored to be invited to this conference, and I'm so glad my work was recognized. The entire event was exceptionally well organized, and I really appreciate the effort the team put into every detail...(click here for more)

## Granit Rabia; Fabrizio De Rosa

Italy

Hi everyone, I'm Dr. Fabrizio De Rosa from the Hospital of Fidenza, and I'm Dr. Granit Rabia from the Hospital of Mantova, Italy. It's been an absolute pleasure to be here and share our experiences... (click here for more)

## Tanvi Sirohi

India

It was an absolute honor to be part of this conference. The sessions were incredibly informative, introducing innovative approaches to managing heart failure and other cardiac conditions. The rare cases discussed really broadened our clinical perspective..(click here for more)

## Nalini Kumari

India

Participating in this conference in Kuala Lumpur has been an incredible learning experience. The insights shared by eminent cardiologists and cardiothoracic surgeons were deeply valuable, and the presentations on recent clinical trials were particularly... (click here for more)

## Fabian M Dayrit

Philippines

As a medical doctor rather than a cardiologist, I attended this conference to share my research on coconut oil and engage with cardiovascular experts. The experience was truly enlightening and the discussions were both constructive and stimulating...(click here for more)

## Ekaterina A Zubova

Russian Federation

It is a great pleasure to be part of this conference. Having previously attended an international conference in Paris, I can confidently say that the organization and scientific program here truly stand out. The diversity of topics presented made for enriching... (click here for more)
