About us

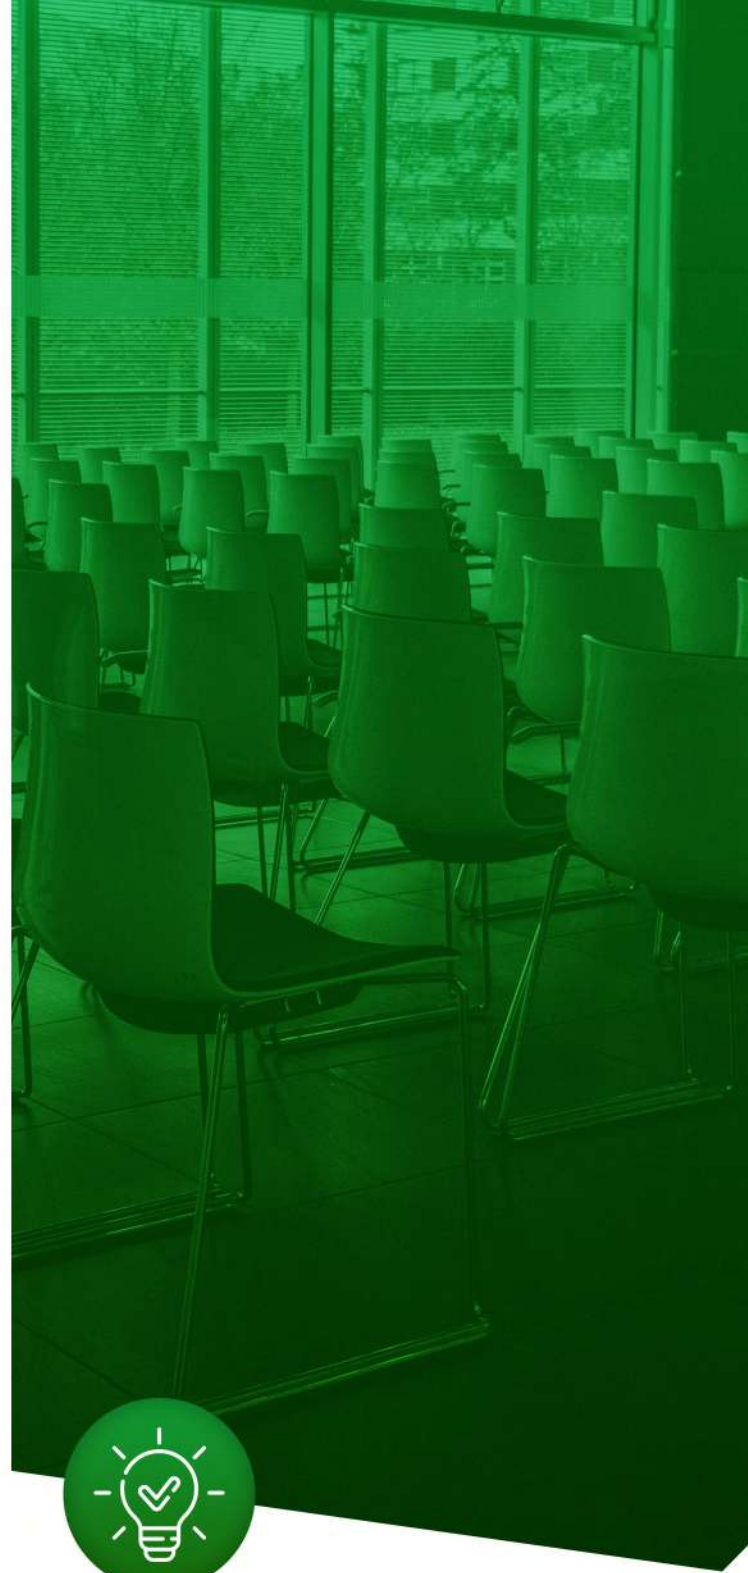

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives.

Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges.

Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide.

We bring in eminent speakers with world-class expertise from various countries to enlighten our researchers and spark enthusiasm for research through our best conferences... [\(click here for more\)](#)

- Renowned speakers and scientists across the globe.
- Poster presentations and world class exhibits.
- Panel discussions and interactive sessions.
- B2B meetings.
- Perfect platform for Global Networking

Conference and Webinar Details

About Conference

The **5th International Conference on Heart and Cardiovascular Diseases** (Heart Congress 2027) is a prestigious global scientific event scheduled for May 03–04, 2027, in Bangkok, Thailand. This two-day international cardiology conference brings together leading cardiologists, cardiovascular surgeons, clinical researchers, medical professionals, and healthcare innovators from across the world to exchange knowledge, present groundbreaking research, and explore the latest advancements in heart disease treatment and cardiovascular care.

Guided by the theme “Transforming Cardiovascular Care: Bridging Innovation, Research, and Clinical Excellence,” Heart Congress 2027 is designed to address the most critical challenges in modern cardiology from AI-driven diagnostics and precision medicine to interventional cardiology and preventive heart health strategies. The conference serves as a dynamic platform for scientific dialogue, collaborative research, and the translation of emerging discoveries into real-world clinical practice...[\(click here for more\)](#)

About Webinar

Connecting cardiologists, cardiac surgeons, researchers, healthcare professionals, academicians, and industry experts worldwide through an interactive virtual scientific platform.

The Heart Congress Webinar scheduled on May 17-18, 2027 | GMT+7 , brings the same scientific rigour of our international conference directly to your screen. No travel. No barriers. Just world-class cardiovascular knowledge, live interaction, and a global peer network — accessible from wherever you practise.

This virtual cardiology conference provides an international platform for knowledge sharing, scientific collaboration, networking opportunities, and interactive discussions through keynote sessions, oral presentations, and live Q&A forums... [\(click here for more\)](#)

CONFERENCE HIGHLIGHTS

- Global Networking Opportunities
- Renowned Keynote Speakers
- Scientific & Technical Sessions
- Oral and Poster Presentations
- Interactive Panel Discussions
- Latest Cardiovascular Research Updates
- Multidisciplinary Cardiology Sessions
- Industry & Academic Collaboration
- Young Researcher Forum
- B2B and Institutional Networking
- CPD/Participation Certification
- Live Q&A and Expert Discussions
- International Delegates Participation
- Explore Emerging Heart Innovations
- Cultural & Social Networking Experience with 40+ Countries

TARGET AUDIENCE

- Cardiologists and Cardiothoracic Surgeons
- Healthcare Professionals
- Internal Medicine Specialist
- Cardiology Physicians and Nurse Practitioners
- Cardiovascular Researchers and Scientists
- Cardiac Sonographers and Perfusionists
- Training Institutes and Medical Colleges
- Cardiology Associations and Cardiac Societies,
- Business Entrepreneurs and Data Management
- Cardiology Students and Medical Engineers
- Manufacturing Medical Devices Companies
- Industry Professionals and so on...

Session Highlights

- Preventive Cardiology and Cardiovascular Risk Reduction
- Heart Failure and Advanced Cardiac Therapies
- Interventional Cardiology and Structural Heart Disease
- Cardiac Electrophysiology and Arrhythmia Management
- Acute Coronary Syndromes: From Bench to Bedside
- Cardiovascular Imaging and Multimodality Diagnostics
- Cardiomyopathies: Genetics, Phenotyping, and Treatment
- Cardio-Oncology: Managing Cardiovascular Toxicity
- Cardiometabolic Disease, Lipidology, and Atherosclerosis
- Hypertension and Renal-Cardiovascular Interactions
- Digital Health, Artificial Intelligence, and the Future of Cardiology
- Pediatric and Congenital Cardiology
- Vascular Medicine and Aortic Diseases
- Women's Cardiovascular Health and Sports Cardiology
- Precision Medicine, Genomics, and Regenerative Cardiology
- Cardiovascular and Cardiothoracic Surgery
- Cardiovascular Case Studies and Clinical Insights
- Emergency and Critical Cardiac Care

About Venue

GRAND MERCURE
HOTELS AND RESORTS

GRAND MERCURE BANGKOK ATRIUM

Address : 1880 New, Bangkok, Khet Huai Khwang,
Bangkok 10310, Thailand

The conference will be hosted at the elegant Grand Mercure Bangkok Atrium, offering a comfortable and modern setting for both scientific sessions and networking activities. With well-equipped conference halls, premium hospitality, and convenient access to key areas of Bangkok, the venue provides an ideal environment for learning, collaboration, and a pleasant stay experience. Participants can enjoy quality accommodation, contemporary amenities, and a professional conference atmosphere throughout the event.

Bangkok can be described as vibrant, colorful, loud, smokey, busy, exhilarating, turbo-charged, and on the other hand, frequently peaceful. Bangkok, also known as Krungthep in Thai, is the initial port of call for the majority of travellers visiting Thailand.

Tourist attractions: The growing number of visitors to Bangkok each year shows that the city is always an attractive vacation spot. The majority of Bangkok's significant tourist destinations, like as temples, are historical or religious structures. There is Stunning architecture, and also important in history, such as Wat Arun Ratchawaram, Old big gun museum, Phra Bor Banphot (Golden Mountain), Railaey Beach, Siam Amazing Park etc. are fabulous. Other interesting locations to visit in Bangkok include palaces, museums, parks, and numerous shopping malls. In various districts of Bangkok, there are peaceful spots like Chatuchak Weekend Market, Sampeng Market, Yaowarat and Phahurat night markets and luxury level sites like numerous famous department stores... TOP REASONS TO PARTICIPATE

- Develop Your Network
- Position Yourself as an Expert
- Meet Experts & Influencers Face to Face
- Gain Targeted Knowledge
- New Tips & Tactics
- Invest In Yourself
- Gain New Collaborations
- Present your Ideas and Work
- Be Inspired
- Travel, Explore and Have Fun!!

Past Event Report

About Past Event:

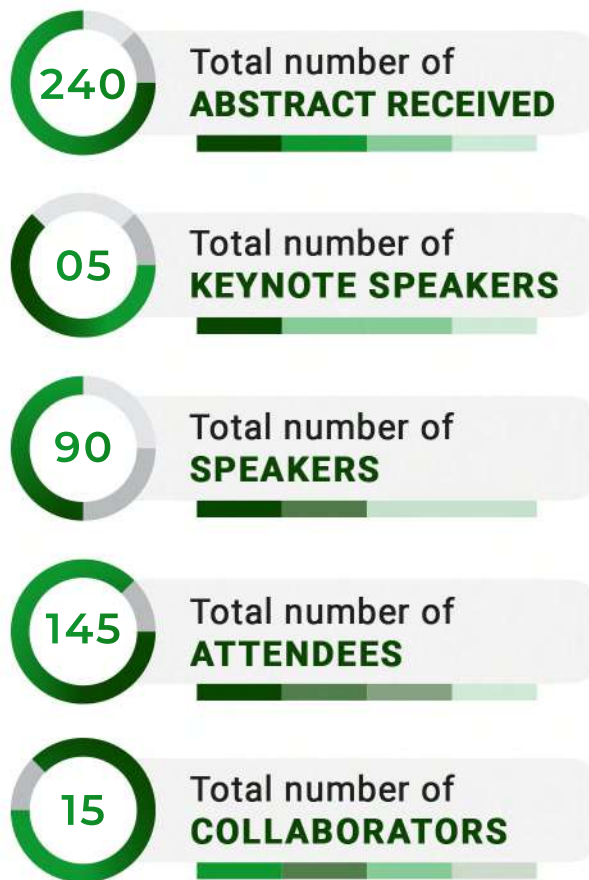

Heart Congress has grown into a trusted global platform for cardiovascular science since its inaugural edition. Over the past four years, the conference has welcomed hundreds of clinicians, researchers, and medical professionals from more than 40 countries.

Past Conference Quick Facts:

- 4 Successful Editions: 2023(Dubai), 2024(Bangkok), 2025 (Dubai) & 2026 Malaysia)
- Attendees from 40+ Countries across 5 Continents
- 200+ Research Papers Presented across all editions
- Keynote addresses by experts from USA, UK, Japan, UAE, India, China, Russia, and more..

Heart Congress has hosted faculty and delegates from Gulf Medical University (UAE), Brown University (USA), Institute of Science Tokyo (Japan), Huazhong University of Science and Technology (China), Royal Blackburn Teaching Hospital (UK), Policlínica Bancaria Buenos Aires (Argentina), New Tokyo Hospital (Japan), and the Federal Scientific and Clinical Center (Russia) — among many others.

The feedback across all editions points to the same qualities: accessible faculty, sufficient discussion time, genuine international diversity, and an organizing team that respects the professional and logistical needs of international medical travelers.. [\(click here for more\)](#)
