About us

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives.

Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges.

Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide.

We bring in eminent speakers with world-class expertise from various countries to enlighten our researchers and spark enthusiasm for research through our best conferences... [\(click here for more\)](#)

- Renowned speakers and scientists across the globe.
- Poster presentations and world class exhibits.
- Panel discussions and interactive sessions.
- B2B meetings.
- Perfect platform for Global Networking

Conference and Webinar Details

About Conference

The **5th International Conference on Gynecology and Obstetrics** will arrive in **Paris, France** on **April 22-23, 2027** and with it will come an extraordinary opportunity for the global women's health community to come together, share knowledge, and drive meaningful change in clinical practice worldwide. To be hosted in the heart of Europe and organised under the inspiring theme "*Advancing Women's Health: Bridging Clinical Excellence and Global Innovation*," this landmark conference will be designed for every professional who believes that the future of women's healthcare depends on the quality of the conversations we have today.

Across two immersive days, delegates will experience world-class keynote addresses from internationally renowned experts, 20 comprehensive scientific sessions spanning the complete spectrum of gynecology, obstetrics, and reproductive medicine, thought-provoking panel debates, and richly rewarding networking opportunities with peers from over 30+ countries. Every session, every discussion, and every connection made at Gynecology Conference 2027 will be a step toward better outcomes for women and families worldwide.

Your expertise belongs on this stage. Paris is waiting. We look forward to welcoming you... [\(click here for more\)](#)

About Webinar

For those who cannot join us in Paris — and for those who simply want to extend their engagement with the world's leading women's health conference — the **5th International Webinar on Gynecology and Obstetrics** will bring the full power of Gynecology Conference 2027 directly to your screen. To be held virtually on **April 29–30, 2027** via **Paris Standard Time (GMT+2)**, this dynamic two-day online event will be far more than a live stream. It will be a complete, fully interactive scientific experience designed to deliver the same quality of knowledge exchange, professional connection, and clinical inspiration as the in-person conference — from wherever you are in the world.

Over two action-packed virtual days, participants will access live and pre-recorded Keynote Lectures from global experts, Oral Presentations of the latest clinical research, E-Poster Presentations showcasing innovative studies, Video Presentations, and E-Banner exhibitions — all centred on the most pressing and exciting developments in gynecology, obstetrics, infertility, and women's reproductive health... - Urogynecology and Pelvic Floor Disorders
- Women's Mental Health in Gynecology and Obstetrics
- Minimally Invasive Surgery
- Cosmetic Gynecology
- Prenatal Care and Screening
- Maternal Fetal Medicine
- Labor and Delivery
- Obstetric Emergencies
- Midwifery, Perinatal and Neonatal Care
- Postpartum Care
- Ethics and Patient Care in Gynecology and Obstetrics
- Innovations and Future Directions
- Research and Case Studies in Gynecology and Obstetrics

About Venue

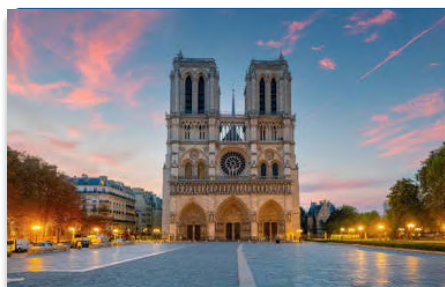

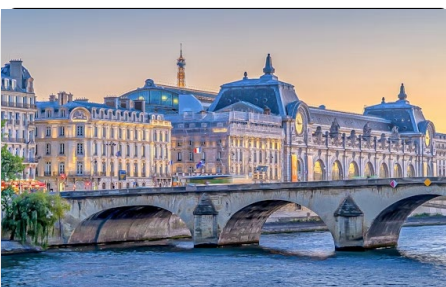

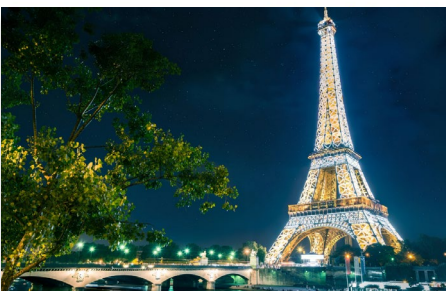

CAMPANILE PRIME PARIS – PORTE DE BAGNOLET,
28 Avenue du Général de Gaulle, BP 311, 93170
Bagnolet, France.

Campanile Prime Paris – Porte de Bagnolet is a modern hotel located in Bagnolet, on the eastern edge of Paris, offering a comfortable and professional environment for international meetings and events. The venue features contemporary conference facilities, well-equipped guest rooms, and a range of on-site amenities designed to ensure a pleasant stay for guests. Its convenient location provides easy access to central Paris, major transportation networks, and nearby attractions, allowing visitors to combine business activities with opportunities to explore one of the world's most iconic cities. With its welcoming atmosphere and excellent connectivity, the hotel serves as an ideal destination for hosting international gatherings and professional events.

The **5th International Conference on Gynecology and Obstetrics** will take place in **Paris, France** on **April 22–23, 2027** — one of the world's most iconic, inspiring, and internationally connected cities, and a destination that needs no introduction to the global medical community. Paris is not only Europe's cultural and intellectual capital but also a world-class hub for medical research, pharmaceutical innovation, and healthcare excellence. Home to some of Europe's most prestigious medical institutions, internationally recognised research centres, and a thriving life sciences ecosystem, Paris is a fitting and inspiring backdrop for a conference dedicated to advancing women's health at the highest level.... - Invest In Yourself
- Gain New Collaborations
- Present your Ideas and Work
- Be Inspired
- Travel, Explore and Have Fun!!

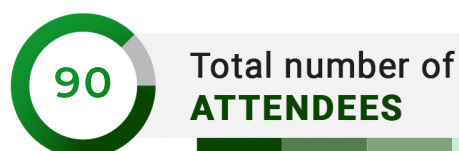

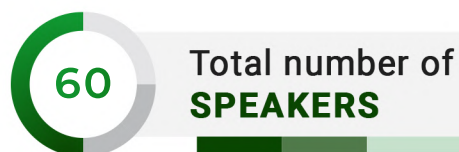

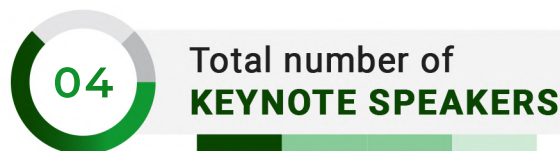

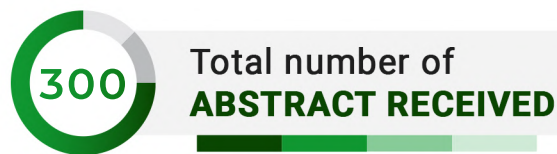

Past Event Report

About Past Event:

The **4th International Conference on Gynecology and Obstetrics**, held in **Kuala Lumpur, Malaysia** from **May 11–12, 2026**, under the theme “*From Research to Practice: Innovations in Women’s Health*,” was a landmark edition in the conference series that brought together a distinguished and diverse community of gynecologists, obstetricians, reproductive endocrinologists, infertility specialists, researchers, educators, and allied health professionals from across the globe.

Over two highly productive and inspiring days at the AC Hotel by Marriott Kuala Lumpur, the conference delivered an exceptional programme of keynote addresses, scientific sessions, oral presentations, poster displays, and interactive panel discussions — all focused on accelerating the translation of the latest research evidence into real-world clinical practice in women’s health. Delegates engaged in meaningful exchanges on the most pressing challenges and most exciting innovations across gynecology, obstetrics, maternal-fetal medicine, reproductive medicine, gynecologic oncology, and beyond..

Testimonials

Feedback

Xin Tong
China

It was a great honor to be invited to this wonderful conference in Kuala Lumpur. I truly appreciated the opportunity to share my research and engage with fellow experts. The experience was both valuable and memorable. I would also like... ([click here for more](#))

Sami Zeineddine
USA

Thank you for the opportunity. It's been a great success. I would say it's a very well-organized program. The topics are insightful and up to date. I learned a lot and I look for it to come again in the future. Thank you again. Appreciate it.

Julio G Rojas-Zambrano
Ecuador

I would like to express my sincere gratitude to Scientex Conferences for organizing this international conference in Kuala Lumpur, Malaysia. It has been a true honor to participate as a speaker and present our work. This is my second year participating in... ([click here for more](#))

Amanda Eames
Australia

Thank you for a wonderful conference! The presentations were unique and very interesting! I really enjoyed the conference in Dubai in 2023 and now again in KL, 2026.

Evgeniya Sivova
Russian Federation

It was great! I was very happy to participate in your conference. It was an excellent experience in my life. It was truly inspiring to hear so many interesting presentations, and of course, having the opportunity to present our clinical cases... ([click here for more](#))

Alvin Setiawan
Indonesia

The conference was a great scientific event with many fruitful presentations. The committee had made a great effort to gather a wide variety of new research from all over the world to present at this event therefore we could gain various new knowledge and... ([click here for more](#))

Farzana Sharmin
Bangladesh

Thanks to the organizers for their efforts to make it a great experience! It was a great event indeed! All the sessions were brainstorming. Besides this, it was a great platform for networking. Thanks once again for inviting me. Looking forward to be with you at next event.

Hana ALSumri
Oman

I was delighted to take part in the first scientific conference. We had a nice platform where we have exchanged information with a big group of expertise from all over the world. Thank you again for this opportunity and wishing you all the best.

Yovloeva Asiyat Hadji-Muradovna
Russian Federation

I would like to share my experience. It was truly interesting, and I was so excited to be here. The people who presented their articles were amazing. It was really fascinating to listen to them. They shared their experiences, and I learned so much... ([click here for more](#))

Pranvera Izairi
Republic of North Macedonia

The event was both insightful and inspiring, offering a wealth of knowledge and a platform for meaningful discussions on the latest advancements and challenges in the field. Beyond the academic enrichment, the congress also fostered a spirit... ([click here for more](#))
