SkinCon 2026

At Madrid, Spain

SkinCon2026 – Global Congress on Dermatology and Skin Science is a premier international forum that will bring together dermatologists, skin researchers, clinicians, cosmetic scientists, and industry experts in Madrid, Spain on December 03–04, 2026. Centered on the theme “From Microbiome to Metaverse: The New Age of Dermatology,” SkinCon2026 aims to provide a distinguished platform for experts and professionals to present groundbreaking research, explore innovative diagnostic and therapeutic approaches, and exchange insights on the evolving landscape of dermatology and skin science. This congress will foster meaningful scientific discussions, encourage collaboration among global experts, and highlight emerging trends and technologies shaping the future of skin health and dermatological care.

INVITATION

FROM THE ORGANIZING COMMITTEE

Dear Esteemed Colleagues, Researchers, and Delegates,

On behalf of the Organizing Committee, we are delighted to extend our warm and cordial invitation to you to participate in the Global Congress on Dermatology and Skin Science (SkinCon 2026). This prestigious international event will bring together leading dermatologists, scientists, clinicians, cosmetic experts, industry professionals, and young researchers from across the globe.

We warmly welcome you to join us in the vibrant city of Madrid, Spain for two inspiring days of learning, collaboration, and advancement in skin science. Your presence will add immense value to the dialogue and help us collectively elevate global dermatologic care.

We look forward to hosting you at SkinCon 2026.

*Warm regards,
Organizing Committee
SkinCon 2026*

A photograph of four people in business attire. A man in a dark suit is on the left, gesturing with his hand. Next to him is a woman in a light-colored blazer. Then a man in a dark suit and light blue shirt is holding a tablet. On the far right is a woman in a light-colored blazer, looking at the tablet. They are in a modern office setting with large windows in the background.

Madrid, Spain

SkinCon 2026 takes place in Madrid, Spain, a vibrant European capital where rich history blends with modern innovation. This prime destination offers world-class infrastructure and excellent connectivity, making it easily accessible for international attendees. As one of Europe's leading centers for science, research, and healthcare, Madrid perfectly reflects the conference theme: "From Microbiome to Metaverse." Delegates will have the opportunity to engage with renowned experts and innovators from around the world while enjoying a dynamic environment for collaboration and networking. Beyond the conference, the city offers remarkable cultural experiences, from historic landmarks and grand museums to lively plazas and authentic Spanish cuisine.

Join us in Madrid for a conference driven by knowledge, collaboration, and global connection
