INVITATION

Precision Meet-2027

Dear Esteemed Participants,

Welcome to the International Experts Summit on Precision Medicine and Genomics (Precision Meet-2027), taking place from April 1-3, 2027, in Osaka, Japan. This premier event will bring together leading professionals, researchers, and industry experts from around the world for an extraordinary gathering focused on the latest advancements in precision medicine and genomic science. Attendees will have the opportunity to explore cutting-edge innovations, breakthrough research, and emerging trends that are shaping the future of personalized healthcare. The summit will feature inspiring keynote speeches, plenary talks, groundbreaking research presentations, dynamic workshops, and engaging panel discussions. Additionally, it will provide unparalleled networking opportunities for professionals to collaborate, exchange ideas, and build partnerships that drive innovation in the field. Join us Amsterdam, as we work together to advance the global impact of precision medicine and genomics.

Topics

- Precision Medicine and Personalized Healthcare
- Genomics and Human Genetics
- Precision Oncology and Cancer Genomics
- CRISPR and Gene Editing Technologies
- Next-Generation Sequencing (NGS)
- Multi-Omics Approaches in Precision Medicine
- Bioinformatics and Computational Biology
- Precision Medicine in Neurodegenerative Disorders
- Rare Genetic Disorders and Precision Therapies
- Precision Cardiology
- Precision Neurology and Nutrigenomics
- Precision Medicine in Infectious Diseases
- Epigenetics and Epigenomics
- Single-Cell Genomics and Transcriptomics
- Personalized Immunotherapy
- Precision Medicine for Diabetes and Metabolic Disorders
- Digital Health and Precision Healthcare Technologies
- Genomics-Based Longevity and Healthy Aging Interventions
- Genomic Data Science and Big Data Analytics
- Augmented Reality for Surgical and Genomic Visualization
- Blockchain for Secure Genomic Data Sharing
- Population Genomics and Global Health
- Personalized Preventive Medicine
- Microbiome Research and Precision Nutrition
- Human Digital Avatars for Disease Prediction
- Precision Paediatrics and Neonatal Genomics
- Regenerative Medicine and Stem Cell Genomics
- Population-Scale Genomic Screening Programs
- Gene Therapy and Advanced Therapeutics
- Companion Diagnostics and Targeted Therapies
- Innovations in Personalized Treatment Strategies
- RNA Therapeutics and Molecular Medicine
- Deep Learning Models for Personalized Treatment Response Prediction
- Others

Sponsorship/ Exhibiter Opportunities:

Platinum Sponsor Benefits:

- An opportunity to sponsor 10 Poster Presentation Awards.
- Three corporate-sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 Sqm).
- Four complimentary registrations. • Logo recognition on congress web
- site front page with link, logo recognition on congress sponsorship page, and logo recognition on corresponding our Journal home page.
- One A4 colour advertisement in the congress program or book of abstracts (excluding cover pages).
- Three inserts provided by the sponsor in the congress delegate bags.
- One post congress e-mail message to consented congress registrants up to 60 days after the congress (content to be provided by the sponsor, approved, and distributed by corresponding Journal).
- An exclusive online Promotion on all our Social Networking Sites.
- 20% Waiver on Sponsorship for any of our next year's conferences.

Gold Sponsor Benefits:

- An opportunity to sponsor 5 Poster Presentation Awards.
- Two corporate-sponsored workshop slots (must honour deadlines, catering, and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 Sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on the congress sponsorship page.
- One A4 colour advertisement in the congress program or book of abstracts (excluding cover pages).
- Two inserts provided by the sponsor in the congress delegate bags.
- An exclusive online Promotion on all our Social Networking Sites.
- 15% Waiver on Sponsorship for any of our next year's conferences.

Silver Sponsor Benefits:

- An opportunity to sponsor 3 Poster Presentation Awards.
- Two complimentary congress registrations.
- One corporate-sponsored workshop slot (must honour deadlines, catering, and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 Sqm).
- Logo recognition on congress website sponsorship page.

- An exclusive online Promotion on all our Social Networking Sites.
- 10% Waiver on Sponsorship for any of our next year's conferences.

Exhibitor Benefits :

- An opportunity1 to sponsor one poster presentation award.1
- One complimentary congress registration.
- Set up of one tailor-made exhibit booth (Booth Size 3x3 sqm).
- Logo recognition on congress website sponsorship page.
- A4 Colour Advertisement in Congress Program or Book of Abstract.
- Inclusion of your company's leaflet/insert in the congress delegate bags.
- An exclusive online promotion on all our social Networking Sites.
- 5% Waiver on Sponsorship for any of our next year's conferences.
- Recognition to your products and services in the world market through our website.
- Develop new client relationships and strengthen the existing ones (B2B Meeting).
- Shape and raise your corporate image through logo branding.
- Brand briefing at the opening and closing ceremonies.
- Press Release on behalf of your company.
- Brand announcement with 50000 Brochures across the Globe.
- Sharing Conference Posters (10000) with Industries and Universities located across the globe.

ABOUT VENUE

Experience Osaka: Precision Meet 2027 – Advancing Precision Medicine and Genomics

We are thrilled to host the International Experts Summit on Precision Medicine and Genomics – Precision Meet 2027 in the dynamic city of Osaka, Japan, from April 1-3, 2027. Renowned for its stunning architecture, cutting-edge research, and vibrant culture, Amsterdam provides an exceptional backdrop for a global gathering of researchers, clinicians, bioinformaticians, data scientists, and industry leaders.

This year's summit will place a special emphasis on the transformative impact of Precision Medicine, Genomics, Bioinformatics, AI, and Predictive Analytics, exploring how personalized approaches and genetic insights are revolutionizing diagnosis, treatment, and healthcare outcomes worldwide.
Why Osaka?

Amsterdam stands at the forefront of biomedical innovation, making it the ideal host city for Precision Meet 2027. As a global leader in genomics research, AI-driven healthcare, and advanced medical technologies, Amsterdam provides the perfect environment to explore how precision medicine is shaping the future of global health.

The city is home to world-class universities, genomic research centers, and thriving biotech ecosystems, fostering collaboration and breakthroughs in personalized medicine. With its strong tech infrastructure and progressive healthcare landscape, attendees will gain firsthand insights into emerging tools, translational research, and clinical applications driving individualized patient care.

Beyond science, Osaka offers a rich cultural experience, picturesque canals, and a welcoming international atmosphere, making it a truly inspiring destination for innovation, networking, and discovery.

SUBMISSION REQUIREMENTS AND GUIDELINES

Each and every abstract must be submitted only through the conference website

- Please select the Oral, Poster, or Young Researchers Forum abstract category when submitting your abstract
- Authors should make sure that the submitted abstracts are accurate
- Any typographical errors in the written word or in scientific data shall be published
- You are in charge of making sure that each co-author has given their consent to be listed on the abstract
- Oral presenters who are accepted will speak during the designated session
- Each abstract should start with the presenting author's first name
- The abstract must not exceed 300 words
- Mention the name of the institution where the work was completed
- Abstract's structure; Statement of the Problem, Objective, Methodology, Results, and Conclusion. For case reports: Statement of the Problem, case summary, and conclusions
- Choose the subject from the supplied list
- An acknowledgement email will be sent upon the submission of your abstract
- The notification of abstract status will be sent after 3 days of the abstract submission
- If the abstract doesn't meet the standard requirements, the scientific committee of Food Meet-2026 has the right to accept or reject any abstracts without providing a reason

ABSTRACT AND PARTICIPATION POLICY:

All submitted abstracts must be original and subject to review.
The organizing committee reserves the right to accept or decline submissions and assign presentation formats.

Letter of Invitation:
Invitation letters will be issued upon request after successful registration and payment. The purpose of the letter is to support visa application and travel arrangements only. The conference does not assume financial responsibility for participants.

Visa Responsibility:
Participants are responsible for obtaining their own visa.
